Semi-Weekly Morning Light carries
state and world news into thousands
of homes in Navarro and surrounding
counties twice each week. Every worth-
while item of news from every point is
thoroughly covered.

Corsicana Semi-Weekly Light

Fifty Years of Service
The Semi-Weekly Morning Light has been
an outstanding progressive newspaper,
working for the advancement of the rural
communities of Navarro and adjacent coun-
ties for more than fifty years. Its success is
coupled up with the growth of rural life.

VOL. LI. CORSIANA, TEXAS, TUESDAY, SEPTEMBER 7, 1937. NO. 85.

GREEN UPBRAIDS CIO ACTIVITY

ANNUAL ORGANIZED LABOR'S HOLIDAY FINDS BODY SPLIT GREEN AND LEWIS, LEADERS OF RIVAL FACTIONS, IN VERBAL BLASTS

WASHINGTON, Sept. 6. (AP)—Organized labor's annual holiday found the leaders of its rival factions exchanging sharp words over President Roosevelt's labor policies.

William Green, American Federation of Labor president, denounced as "autocratic and dictatorial" the thinly-veiled rebuke for the president contained in John L. Lewis' pre-holiday speech.

Although he did not mention the CIO chiefs by name, Green told a Dallas, Tex., gathering of A. F. of L. leaders that he resented Lewis' threat of an election day reckoning for labor's "so-called friends."

Lewis' Friday night broadcast address inferentially included the president among the "so-called" friends who he said had stabbed labor in the back.

Arriving at Pittsburgh for two holiday speeches in Pennsylvania, Lewis refused to comment on his own political plans and when asked what he had to say about Green's attack, replied:

"Nothing to say. Nothing at all. Don't even care to know what he had to say."

The holiday thus took its embattled groups—the two now totalling 7,300,000, largest number in the history of the American labor movement—further apart rather than closer together.

It also marked a future break between the president and Lewis.

Sandwiched between the Lewis-Green exchange, was the president's own Labor Day comments, deploring mistakes made on both sides in recent industrial disputes and urging that "sanity and reason" supplant "bitterness and distrust."

The president's Labor Day message was issued from the fishing yacht off Rhode Island.

He said the conference table must eventually take the place of strikes, and reiterated his pledge that the government would push its program for work security with reasonable wages.

In Washington, Secretary Perkins, reviewing labor's economic gains in the past year, said 2,000,000 wage earners had obtained jobs since last Labor Day.

Important Labor Personalities 1937 WASHINGTON, Sept. 6.—(AP)— Varied personalities stamped their impressions on labor's history this past year. Some were: John L. Lewis—Bolted the American Federation of Labor, gathered over 3,000,000 workers into his Committee for Industrial Organization and shook industry and politics. William Green, A. F. of L. Chief See LABOR DAY, Page 7

UNKNOWN VESSEL REPORTED SUNK BY MYSTERY SUBMARINE COLLECTIVE ACTION SOUGHT BY EUROPEAN POWERS TO END PIRACY

LONDON, Sept. 6.—(AP)—An unknown vessel joined the mounting casualty list of international ships sunk by mysterious Mediterranean pirates as diplomats today hastened an all-European conference to meet the grave new threat to freedom of the seas.

Tunisian fishermen reported an unseen attacker sent the vessel to the bottom off the North African coast Saturday night, leaving no trace of her crew or identity.

Such attacks, linked to the Spanish civil war by European observers, whipped Great Britain and France into a fever for collective action by Mediterranean powers to halt piracy.

An all-European pact to the conference was given over the week-end when official quarters disclosed Soviet Russia and Germany would be among the powers invited to the council table.

It was understood Sept. 10 would be suggested as an opening date.

British Steamer Captured.

PALMA, Mallorca, Sept. 6.—(AP)—The British steamer Burlington was captured off Palermo, Italy, today by a Spanish insurgent steamer.

She was brought to this insurgent naval base and her cargo, 7,700 tons of Russian oil, was confiscated.

The tanker, although flying the British flag, was under charter to the Spanish government and was bound for Cartagena.

BATTLE AREA RUNS FROM SHANGHAI TO TWELVE MILES NORTH JAP NAVAL, LAND AND AIR ATTACKS TAKE HEAVY NON-COMBATANT TOLL

SHANGHAI, Sept. 6.—(AP)—Japan fought with virtually no essential progress today in a terrific offensive against Shanghai over an area approximately 100 square miles.

Chinese lines sagged but did not break under charging Japanese infantry, air, artillery and naval bombardments.

The battle area stretched from the International Settlement to Woosung, about 12 miles north of Shanghai.

Japanese contended their operations were aimed only at wiping out Chinese machine gun nests and joining broken Japanese lines.

Japanese naval, land and air bombs swept the countryside with sustained fire that took a frightful toll of noncombatant lives.

Chinese batteries answered with a ceaseless barrage of hand grenades, trench mortars and machine guns. Chinese at Woosung, foiled a Japanese effort to land new reinforcements.

Two American companies suffered heavily in the fighting. The Bell Lumber company yard at Hongkew, in Shanghai's International area, was destroyed by incendiary fire. The Bloch Backing Box Manufacturing company was damaged by a Japanese air bomb.

The China-long Japanese naval blockade was reported to have sunk a Chinese customs cruiser near the British crown colony of Hongkong, in South China, and to have forced a British passenger liner to steam back to port on a river trip from Hongkong to Canton, China.

Heavy enemy artillery was moved against the Chinese right flank in North China on the Tientsin-Pukow railroad, apparently as a prelude to imminent large scale fighting.

Opening day of Shanghai's schools passed unheeded by 300,000 children, the only ones who could find any solace in the undeclared war that made schoolhouses too hazardous for classes.

For more than a week heavy

MEETING OF FACULTY CORSICANA SCHOOLS ON MONDAY MORNING FINAL PREPARATIONS MADE FOR THE OPENING OF SCHOOLS TUESDAY

Final preparations for the opening of the Corsicana public schools tomorrow morning, Tuesday, Sept. 7, were made at the first general faculty meeting Monday morning at the high school, which was followed by principals of all the schools meeting with their teachers and discussing problems of their particular interest.

The new teachers were introduced and welcomed into the system by W. P. McCammon, president of the board of education. W. H. Norwood, superintendent of schools, presided at the general faculty meeting, and discussed a number of routine matters in connection with the opening of the schools.

Superintendent Norwood talked to the teachers on the new type of curriculum, which, over a period of several years, has been undergoing a revision. He outlined the history of the curriculum revision, pointing out the objectives and accomplishments for the last several years, and explained the objectives for the 1937-38 year.

In general, the present trend in curriculum revision, is to give the student the opportunity, through well-guided discussion, to show what his particular interests are, and then adopt a unit of work closely associated with his interest or ability. The teacher guides the student in working on this unit, and through it the student is then able to show his ability in the subject.

The prime objective of the new curriculum plan is to teach the student by guided and purposeful experience, by which he is more likely to retain the knowledge, instead of the old methods of teaching purely by specific habit or by mechanical rote, which by lack of its application to the student's life, is more likely to be forgotten.

Superintendent Norwood explained that this year's objectives are intelligent testing and achievement testing.

THIS IS WAR—HORRIBLE WAR—IN THE INTERNATIONAL CITY OF SHANGHAI

One of the most tragic pictures to come out of China during the current hostilities—a victim of the bombing of Shanghai, stark naked and badly injured, pleads for help from a passerby who sees so many dead and injured around him he doesn't know whom to help first.

BANKHEAD CHARGES GOVERNMENT CAUSE PRICE DEPRESSION ALABAMA SENATOR SAYS DELIBERATE EFFORT LOW- ER COTTON PRICE

JASPER, Ala., Sept. 6.—(AP)—A "deliberate effort" by government officials to depress the price of cotton was charged today by Senator Bankhead (D-Ala.) who advised farmers to put their cotton in a holding pool financed by government 9-cent loans.

"The first time in the history of this country," Bankhead said in a formal statement, "a deliberate effort has been made by officials of the government to lower the price of an agricultural commodity."

"Action has just been taken for the avowed purpose of reducing the price of cotton at a time when the price is below the cost of production and far below the parity price."

"The farmers have all to gain and nothing to lose by organizing a strong holding movement," he suggested. He advocated simply putting "cotton under the loan and refusing to sell it until the price is considerably higher x x x."

Bankhead claimed, "we plan to accomplish two definite objectives: First: to reduce the price of cotton to larger exporters of cotton; second: to make the loan so unattractive that few farmers would put their cotton under the government loan."

Bankhead already has announced he will introduce, the first day congress convenes, a new compulsory cotton control measure, to see COTTON, Page 7.

NEWEST FORM OF GASOLINE IS DECLARED CAPABLE OF SENDING CAR AT 150 MILES PER HOUR

By HOWARD W. BLAKESLEE
Associated Press Science Editor
HOCHESTER, N. Y., Sept. 6.—(AP)—One hundred and 50 miles an hour, with "smooth, easy riding" is the power of the newest form of gasoline, iso-butane, described by the American Chemical Society here today.

The gas would also double present mileage per gallon, said Dr. Gustav Egluff of Chicago. For autos it would require redesigning of engines and strengthening of highways.

But, he said, vast quantities already have been made and probably 15,000,000 gallons will be used by the U. S. army for aviation in 1938.

Less than two years ago army aviation had 1,000 gallons of iso-butane made for experiment. That one experiment created virtually a new fuel industry. Planes using it carried 30 per cent more payload with no more fuel.

The army set about changing engine designs to use this super-gas. Commercial aviation, Dr. Egluff said, has been experimenting with it but has not yet used it for regular flying.

Iso-butane is not a product of nature. It is an improvement on gasoline, he said, made by extracting from petroleum one of its common ingredients, known as octane. This stuff explodes so fast that it would wreck a cylinder.

Chemical treatment converts it into iso-butane. This means that a hydrocarbon shape like a long chain is rolled into one made of ball-shaped particles. The result is to slow the explosion, without

LEWIS WARNS LABOR IT MUST ORGANIZE TO COMBAT MACHINE CIO LEADER SAYS UNEMPLOYMENT PROBLEM NOT YET BEEN SOVED

PITTSBURGH, Sept. 6.—(AP)—John L. Lewis today warned labor in the western Pennsylvania "work shop of the world" that machines would increasingly replace men unless the workers organized.

The shaggy-haired leader of the C. I. O. addressed miners and mill workers of the Kiskiminetas Valley on the first Labor Day in 50 years that has been officially recognized by steel producers.

"The problem of unemployment has not been solved," he told the workers gathered in a large field in the industrial town of Leechburg, about 40 miles northwest of Pittsburgh. "Improved methods of production have created conditions which make for more unemployment."

"More and more machinery is being installed to lay idle human hands. There is but one answer—an ever-increasing participation of labor through organizing in combating this situation."

Lewis left the rally to drive to South Park near Pittsburgh to speak this afternoon.

Without mentioning by name the American Federation of Labor, with whom he broke after the 1935 federation convention, Lewis declared:

"I know the efficiency and the success of the C. I. O. to be responsible for this situation."

See LEWIS, Page 7.

Twenty Pigs In Single Litter As Pork Is Soaring

For the past several months pork has been gradually climbing to a high peak price that makes the one-time great American meat dish almost prohibitive to the general public. But of all broad sovs in the nation—or even a fair percentage of them—would follow the example of a brood sow owned by Mr. and Mrs. Melvin Gorman of the Boone-Montfort sector of the county, the pork shortage would be relieved to such an extent that prices might "get right" again, from the point of view of the consumer.

Recently the brood sow gave birth to twenty (20) pigs and at last accounts they all gave promise of growing into fat and valuable porkers. Mr. Gorman was so unattractive that few farmers would put their cotton under the government loan."

ACCIDENTS LEFT 302 DEAD AFTER WEEKEND HOLIDAY THOUSANDS OF OTHERS IN- JURED, MOST OF THEM IN AUTO MISHAPS

(By The Associated Press.)
Labor Day week-end accidents left at least 302 men, women and children dead today, with thousands more injured.

Automobile accidents were responsible for 232 of the deaths at the end of the three-day holiday. Crowdings claimed 29 lives and miscellaneous causes accounted for 41.

The accident toll for the Labor Day week-end last year was 271.

With thousands of motorists taking to the roads for holiday outings today, traffic experts believed the casualty list this year would far exceed the 1936 total.

Michigan, with 27 traffic deaths, led the mortality roll in an Associated Press survey that included 42 other states. Ohio followed with 22. Seven of Michigan's deaths occurred in an automobile-truck collision near West Branch.

Six deaths were attributed to

GOVERNMENT LINES TIGHTENED AROUND BAND OF INSURGENTS LOYALIST BATTER REBELS IN BELCHITE AND STREETS STREWN WITH DEAD

HENDAYE, Franco-Spanish Frontier, Sept. 6.—(AP)—Government lines tightened today around the band of insurgents besieged in Belchite Cathedral. 20 miles south of Zaragoza, as government batteries poured shells into the cathedral tower to silence the last position in the strategic Aragon village.

The embattled insurgents, preferring death to capture, held out stubbornly against the massed forces that government sources said totalled 80,000 soldiers.

Except for the cathedral and the nearby square, officials said the government was in complete possession of Belchite and that its forces were pushing on westward to attempt severance of insurgent communications between Zaragoza and Teruel.

Belchite streets were reported to be strewn with insurgent dead and it was believed destruction was as complete as in nearby Quinto, where not a house escaped damage.

A terse insurgent communique disputed government claims to possession of Belchite and said all government attacks had been repulsed.

Million Nazis Open Nurnberg Party Congress

NURNBERG, Germany, Sept. 6.—(AP)—Adolf Hitler rode stiff and unsmiling through the streets of Nurnberg today to open the Nazi party congress, his annual pageant of national socialism.

Right arm aloft in the Nazi salute, he stood in the tannou of the open automobile which took him to his hotel.

Guns boomed and church bells chimed. Almost a million Nazis were here ahead of him.

NURNBERG, Germany, Sept. 6.—(AP)—Almost a million Nazis rang curtain today on the Nurnberg party congress, Reichsfuehrer Adolf Hitler's annual pageant of national socialism.

Festivities, however, were a mere overture to the formal opening tomorrow when the spotlight will shine on Der Fuehrer himself.

Hitler's entry into the city set for late today, was arranged in the manner of a Wagnerian hero. Guns will boom, church bells will clang, and from then on it will be his show until the final curtain, Sept. 13.

SIXTEEN PERSONS INJURED IN NUMBER TRAFFIC ACCIDENTS FOUR THOUGHT BE IN SERI- OUT CONDITION; ALL ARE TAKEN TO HOSPITALS

A series of traffic accidents in Corsicana and on nearby highways during the week-end resulted in the serious injury of at least four persons, and less serious injury of twelve others, who were given first-aid treatment at local hospitals. Several other traffic accidents were reported, but the persons figuring in them were not injured sufficiently to be given hospitalization.

Most seriously injured was H. L. Shelton of Kansas, who had not regained consciousness shortly before noon today. He received a fractured right leg and head injury, in an accident about 2 o'clock Sunday morning in the 1400 block on West Seventh avenue. Others figuring in the same accident included Ray Hodge, also of Kansas, whose nose was crushed and his left eyelid was torn and L. C. Hood, Corsicana, route 4, who received a cut on the forehead.

Taken To Hospital.

The three men were taken to the P. and S. Hospital. Hood was discharged after being given first-aid treatment, and Hodge was to be discharged later Monday afternoon.

Loft Wright received a lacerated left leg in another collision near the Backhorn filling station about 2:30 Sunday morning, and was given first aid treatment at the P. and S. Hospital.

Richard Edmonston, 21, Corsicana, and Charles Ed Bass, 18, Athens, were seriously injured when the automobile in which they were driving was reported to have collided with another machine near the city limits on North Beaton street. Edmonston, who had numerous lacerations and a back injury.

Mrs. Clarence Brown and son Clarence Brown Jr., about three, and daughter Joy Ray Brown, about a year old, all of Corsicana, were in the other car. The Brown boy received a severe scalp wound and minor lacerations; his sister received minor lacerations and

LABOR FEDERATION PRESIDENT SCORES ACTIVITIES OF CIO WILLIAM GREEN RESENTS LEWIS ATTACK UPON THE PRESIDENT

DALLAS, Sept. 6.—(AP)—William Green, president of the American Federation of Labor, came before the Texas working man today with the accusation the CIO is "an enemy seeking to divide and conquer" led by a man who had "denounced" President Roosevelt, "labor's greatest friend."

"The traditional good fellowship of Labor Day was absent as the A. F. of L. and the CIO made rival bids for the favor of Texas laborers in mass meetings and picnics."

Green's blast last night against John L. Lewis and the committee for industrial organization was certain to bring answering shafts from the opposition.

Speaking at a banquet of some of the state's labor leaders, Green said Lewis' "deliberate effort to discredit the A. F. of L. and the CIO" was a "deliberate effort to divide and conquer."

Lewis, he said, had made an

TEXAS LABOR DAY CELEBRANTS FIND DEATH ON HIGHWAYS ELEVEN KILLED IN TRAFFIC ACCIDENTS; THREE FROM OTHER CAUSES

By The Associated Press.
Death cut grimly into the ranks of Texas Labor Day celebrants, taking at least 12 lives in highway accidents, one by accidental shooting, one by drowning and one in a fall.

John Hodge, prominent Belton stockman, perished this morning and Hood Garner and Elmer Hayter were injured critically when their truck failed to make a turn on a highway near Belton. Garner and Hayter also were Belton stockmen.

Miss Lillian Snellgrove, 20, of Gilmer (Cass county) died of injuries suffered in an accident on the Linden-Kildare road. Dan Beaman, 21, of Backville, suffered critical injuries and two other

See TEXAS ACCIDENTS, Page 7

DISRUPTING LABOR FAMILY IS CHARGED AGAINST NEW BODY LABOR FEDERATION PRESI- DENT SPEAKS IN DALLAS MONDAY AFTERNOON

DALLAS, Sept. 6.—(AP)—President William Green of the American Federation of Labor upbraided the CIO today for disrupting the family of organized labor, for sit-down strikes "likely to pave the way to a fascist dictatorship and for 'welcoming' communistic support and methods."

Green emphatically reasserted the federation's non-partisan policy, predicting the forthcoming national convention at Denver would renew its previously asserted position.

Speaking under auspices of the Dallas Central Labor Council at a mass meeting of American Federation of Labor members from all parts of Texas, where the C. I. O. has in recent months concentrated in organizing all workers, Green said the federation stands ready to compose differences and restore "the united family of labor."

"In the midst of labor's deepest concern over the problem of unemployment and other economic questions, the American Federation of Labor is forced to deal with a new foe," he declared.

"It seems almost unbelievable that any group which professes to believe in the unity and solidarity of labor would deliberately create a split in the organized labor movement."

United Organization Formed.

"Two years ago a minority which could not force or compel the majority in a convention to accept its will formed a dual organization. This dual organization, the Committee for Industrial Organization.

"This dual movement has been praised and supported by the spokesmen of the communists. The representatives of this subversive movement have placed their stamp of approval upon the C. I. O. x x x

"This development creates the issue. It marks the difference between the American Federation of Labor and the Committee for Industrial Organization."

"The American Federation of Labor will have nothing to do with communism. Communistic teachings or communistic philosophy. We stand now as we have always stood, as a barrier to any advance which the communists seek to make within the ranks of labor. x x x Never will the American Federation of Labor spend the dues collected from honest working men and women upon institutions in the employment of communists."

Working men and women "meet the test of the true Americanism" in deciding whether they will align themselves with the A. F. of L. or the C. I. O.

AIR RACES TO BE BROUGHT TO CLOSE MONDAY AFTERNOON NEW DESIGNS, FUELS, EN- GINES IN BIG CLEVELAND EVENT TODAY

CLEVELAND, Sept. 6.—(AP)—The country's most famous speed chase, the annual air races, will conclude today with an exciting list of foreign and American planes competing for a quarter of a century, drew a swarm of gnat-like machines to the starting line today in the finale of the 1937 National Air Races.

A total of \$27,000 in prizes was at stake.

New designs, new fuels and new engines, born of the current international rivalry for superiority in both commercial and military flying, added fresh impetus to the planes scheduled to take to the air at the drop of the starter's flag at 4 p. m. (EST).

In limited to ten entries, the Thompson trophy race over a 200-mile route will close the book on a group of air races.

Included among the probable entries on the day's chief card were Ray Moore, Frank Fuller, winner of the Bendix derby; R. A. Kling of Lemont, Ill., who snatched victory in the Greve trophy race yesterday, Steve Wittman, Earl Grimsa, Frank Slinch, and James Taylor.

Roscoe Turner arrived from St. Louis and prepared to qualify, which contest officials explained consisted of a 50-mile spin over the race course with two laps at 250 miles per hour.

Corpus Christi Man Drowns.

CORPUS CHRISTI, Sept. 6.—(AP)—A fire store here, was drowned into yesterday while fishing in Copano Bay near Rockport. Jan. 6, was about 200 yards from shore when he was drowned. His respiration failed to revive him.

PLANS FOR SERIES OF FOUR CLUBS TO BE MADE TUESDAY

Plans for a play-off series between the four high clubs in the standing of the Navarro County Baseball league will be made at a meeting of the executive committee at the Y. M. C. A. Tuesday night at 8 o'clock. The regular schedule was concluded with Sunday's tilt. Girard finished the season in the lead, with Rice second, Cotton Mill, Currie, Bazette and Emhouse in one.

A play-off series similar to the Shaughnessy play-off used in the Texas and other leagues is planned, but the time and places for the series between Girard and Currie, first and fourth place clubs, and Rice and Cotton Mill, second and third place clubs, has not been decided. This will be determined Tuesday night.

Currie trounced the Emhouse aggregation at Currie Sunday afternoon. The game was originally scheduled to be staged at the Farmer damed but was transferred to Currie by mutual agreement of the management.

Millers Beat Rice

Cotton Mill and Rice teams played their game Saturday. The Millers won, 10 to 4.

Girard was slated to meet Bazette at Bazette Sunday but with two men on the injured list and others at work, Girard, with first pinch, failed to go to Bazette and the game was forfeited to Bazette. This was the second game of the season forfeited to Bazette, one with Rice earlier in the campaign having been forfeited by Paul Moore, president of the league, after Rice failed to appear for a scheduled game.

This is the first year the county league has functioned, but has enjoyed a successful season, with a minimum of bickering, protests, arguments, and generally prevalent in simple ball clubs according to officials of the circuit, and it appears that the league will function again in 1937, with the possibility that it will be expanded into an eight club loop before the next season starts.

The Final Standing

Team	W. L.	Pct.
Girard	11 3	.785
Rice	8 5	.615
Cotton Mill	8 7	.533
Currie	7 8	.467
Bazette	7 8	.467
Emhouse	2 13	.133

Goings and Comings Of Fairfield Folk And Their Visitors

FAIRFIELD, Sept. 6.—(Sp.)—Mr. and Mrs. H. B. Steward and children and Miss Emma Louise Steward were visitors in Mineral Wells during the week-end. Misses Arne and Emma Louise remained for a visit with Miss Mary Lake.

Fred Hill and J. O. Swinburn were in Corsicana and Mexia Monday.

Johnnie Cassels of East Texas is visiting friends and relatives this week.

Ed Bradley of Temple spent Friday with Mr. and Mrs. R. H. Bradley.

Mr. and Mrs. Guy Leverette had as guests in their home last week, Mr. and Mrs. J. J. Hoff, of Tomball; Mrs. L. Larrie Sponberg of Corsicana; Mrs. C. H. Lewis of Wortham; Wiley Leverette and Don Grilerson of Dallas; J. M. Parker is visiting his daughter, Mrs. G. W. Hall, in Blanco this week.

Clyde Cook of Richland spent Sunday with Mr. and Mrs. Joe Green.

Miss Ounita Richards visited Miss Margaret Terry in Houston last week.

Edward Parker and A. D. Payne of Goose Creek visited Mr. and Mrs. W. H. Parker Sunday.

Mr. and Mrs. Henry Eubank and Kenneth spent Sunday in Temple visiting Mr. and Mrs. Pressley Nicholas.

Mr. and Mrs. Charles Edward Adams of Dallas spent Sunday with Mr. and Mrs. J. B. Daniel.

Mrs. James Radford and Leslie and Miss Larue Radford were Dallas visitors Monday.

Miss Julia French was shopping in Corsicana Wednesday.

Miss Margaret Loper and John McKlesack visited in Jacksonville Sunday and Monday.

They were accompanied by Miss Jones, who will spend the week here.

Mrs. Rae McDonald, who has been attending school in Austin has returned home.

Miss Hazel Evans of Dallas visited Miss Bess Orand Sunday.

Miss Doris and Billie Williamson were Mexia visitors Tuesday.

Mr. and Mrs. John Burks were Week-end visitors in Riesel.

Surprise Birthday Party Given Friday For Sherrod Connor

Mrs. S. E. Connor was hostess Friday night, Sept. 4th, for a surprise birthday party honoring her husband, Sherrod Connor, of the Montfort community. All of Mr. Connor's children who reside within the county were present, with the exception of Mrs. Sidney Lanningham of Corsicana, whose absence was very much regretted. The guests were entertained by a musical program furnished by Leonard Connor, Egbert Sheets, Ray Fowler and Tommie Wheeler.

The honoree was then presented a large box filled with an array of gifts which were admired and passed around for all to see.

Following this refreshments, including sandwiches, cake, and punch were served to the following: Mr. and Mrs. S. E. Connor, Misses Genell, Johnnie, and Helen Connor, Leonard and Preston Connor, Mr. and Mrs. Odice Connor and two little daughters, Mrs. Florence Montfort, little daughter and three sons; Mrs. Maggie Dill and two little daughters, Mrs. Lizzie Montfort, Mr. and Mrs. Melvin Gorman and two little daughters; Miss Annie Laurie Fowler, Egbert Sheets, Ray Fowler and Tommie Wheeler.

—Contributed.

Personal Mention Of Wortham Folk And Their Guests

WORTHAM, Sept. 6.—(Sp.)—Dr. W. P. Harrison, Ernest Ham, Mrs. J. Jamison and Mrs. H. C. McMichael of Teague, Mr. and Mrs. Wm. Coates of Jacksonville, Dr. E. H. Newton of Corsicana, Dr. W. O. McDaniel of Streetman, and many others, visited Dr. Snead this week.

Visitors in the home of Mr. and Mrs. C. C. Meador and Mrs. Bonner Meador this week were Mr. and Mrs. Willie Briggs and mother, Mrs. Sallie Briggs, of Vivian, La., and Mrs. Bessie Benton of Beaumont.

Mrs. Karl Kumke and Miss Francis Chanceller returned from a visit to Dallas this week.

Mr. and Mrs. H. McCord of Port Arthur were house guests of Mr. and Mrs. Oliver Burleson. They were entertained with a dinner party Saturday. Out-of-town guests were Dr. and Mrs. W. B. Snead of Corsicana, Mr. and Mrs. John David Burleson of Fairfield.

Mr. and Mrs. Jack Harvey and children left today on a vacation trip to Southern Texas points.

Mrs. John Reinhart and sons, Johnnie and Tommie, of Longview visited relatives here this week.

Tom Hood, Miss Grace Hackney, Mrs. Stillman Polindexter and Mrs. Van Hook Stubbs visited in Dallas this week.

Mrs. Nannie Turner, who has been visiting her father, H. Stubbs, for several weeks has returned to her home in Fort Worth.

Mrs. Mesdames Oliver Burleson and Tom Polindexter were visitors in Dallas this week.

Mrs. J. D. Blankenship is visiting her father, Gus Weaver, in Arlington this week.

Mrs. Gelya Tucker and daughter, who have been visiting Mrs. Tucker's father and sister, Mr. Ed Quinby and Miss Myra Quinby, have returned to their home in Lubbock. They visited several days in Dallas before leaving for Lubbock.

Mrs. K. W. Snead made a business trip to Klrven this week.

Mrs. J. P. Stubbs is on a business trip to Hondo this week.

Mr. and Mrs. R. G. Polindexter visited relatives in Kossie this week.

Bryan Seal was in Corsicana Friday where he had his tonsils removed. He was accompanied by Mr. and Mrs. Ira Seale and Miss Lydia Ryle.

Mrs. I. D. Smith of Fort Worth visited in Wortham a few days this week. Her guests were Mrs. Ed Satterwhite.

Mr. and Mrs. Willie Tucker and children are visiting in Oklahoma this week.

Mrs. J. H. Love visited her daughter, Mrs. Finis Peyton, in Teague this week.

Mr. and Mrs. W. A. Walhall are visiting in the Lubbock vicinity this week.

Mrs. Ona Young, Mrs. Vera Hearn and Miss Vera Lee Hearn have returned from a visit with relatives in Childress and Chillicothe.

Mrs. Olan Beasley and her son of Mart are visiting in Wortham this week.

Mr. and Mrs. Jim Tucker and baby of Austin visited in Wortham this week. They were accompanied home by Robert Charles Tucker.

Bettie Jean Harris of Fairfield is visiting her grandmother, Mrs. Bettie Harris, this week.

Mr. and Mrs. W. F. Woodbridge of Houston visited in the home of Mr. and Mrs. Ed Satterwhite this week. They were on route to Houston on Saturday.

C. M. Joekel of Oklahoma City visited in Wortham this week. He was accompanied by his wife and baby who had been in city several weeks visiting Mrs. Joekel's mother, Mrs. Kate Hackney.

Rev. and Mrs. S. A. Baker had as their guests this week the following: Mrs. Montie Sittton and son, Charles; Miss Annie Sittton and Miss Omega Dobbins of Winters; and Rev. G. R. Thomas, of Winters, and Rev. Fred G. Binkley and family of Porterson.

Mr. and Mrs. R. H. Humphreys, accompanied by Mrs. G. W. Williams of Fort Worth, were visiting relatives and friends here last week. Guests in the home of W. O. Butler and Mr. and Mrs. P. O. Butler, Mrs. Murphy will be remembered as Miss Bela Butler.

Navarro County Agents to Attend A. & M. Meeting

H. C. Robinson, county agent, and Miss Ruth McNabb, home demonstration agent, will leave Corsicana Sunday afternoon for the state agents' meeting next week.

The agents conferences begin Monday and extend through Friday.

JOHN L. LEWIS IN BITTER AIR ATTACK ON ADMINISTRATION

WASHINGTON, Sept. 4.—(P)—John L. Lewis, rebuking President Roosevelt as a fair weather friend of labor, served notice on the administration today that his Committee for Industrial Organization is prepared to look elsewhere for its political allies.

Lewis, reporting last night in a radio speech of bringing forth the CIO has called 17,380,000 workers, left up to the New Deal high command the question of deciding whether the Democratic party and the CIO shall trot separate paths.

The CIO chief castigated "those who profess to be the keepers of the public conscience" for failure to criticize the "murder of unarmed men" in the recent steel strikes.

He added as a warning: "Labor next year cannot avoid the necessity of a political ally of the work and deeds of its so-called friends and its political enemies must determine who are its friends in the arena of politics as elsewhere."

He let fly this barb at President Roosevelt.

Lewis' behavior one who has been sheltered in labor's house to curse with equal fervor and fine impartiality both labor and its adversaries, who they become locked in deadly embrace."

Washington observers regarded this as obviously a reply to the "plague on both your houses" which President Roosevelt bespoke for extremists on each side in the "little steel" strike.

Supped at Labor's Table.

They interpreted it further as a statement of Lewis' belief that the administration had "supped at labor's table" by virtue of a \$600,000 campaign contribution last year, the largest received by the Democratic national committee.

As Europe's chancelleries poured over plans for labor's house, they translated as a reference to the widespread support given the president last November when millions of unionists cast their ballots for Mr. Roosevelt.

There was no immediate reply from the administration.

As for the speech as a whole, John P. Frey, president of the mental trades department of the American Federation of Labor, called it "rather flat and colorless."

Frey said Lewis' disclaimer of communistic connections with the death "was called off its hind legs" and was "not satisfactory and convincing."

Lewis did not go into details as to his intentions involving those he said "chant their praises to the labor movement but lose no chance to drive their knives into labor's defenseless back."

He did, however, suggest that it would be to the advantage of workers to wage their battles together and to lend new emphasis to predictions Lewis may seek to form a third party in the 1940 elections.

Scores Anti-Wage and Hour Bloc.

"The spectacle of august and dignified members of congress, servants of the people and agents of the republic, skulking in hallways and closets, hiding their faces in a party caucus to prevent a quorum from acting upon a labor measure, is one that emphasizes the perfidy of politicians and blazes the confidence of labor's millions in politicians' promises and statesmen's vows."

In denying the CIO is communistic, Lewis said the "real breeders of discontent and alien doctrines of government and philosophies subversive of good citizenship are such as those who take the law into their own hands."

Of the United States Chamber of Commerce and the National Association of Manufacturers were encouraging organization of vigilantes into bands trained "in the arts of brutality and oppression."

In his disavowal of communism, Lewis emphasized that "unionization, as opposed to communism, presupposes the relation of employment. It is based upon the wage system and it recognizes fully and unreservedly the institution of private property and the right to investment profit."

Reassembly Session Of Navarro Chapter, U. D. C. on Sept. 22

Miss Elizabeth Harlee, president of the Navarro chapter, U. D. C., announces that the reassembly meeting of the chapter will be held the fourth Wednesday in September, instead of the usual monthly Wednesday.

The meeting will be held at 3:30 p. m. on the mezzanine floor of the Navarro hotel and at this time delegates to the state convention, which meets in October, will be elected and the year books will be distributed. All members are urged to keep the date, September 22, in mind and to be present.

Personal Mention Of Kereks Folk

KERENS, Sept. 6.—(Sp.)—The P. N. Stockton ambulance was sent to Corsicana Sunday morning to deliver Merle Kelly of Pharr, Tex., from his home in Kerens to Kerens to the home of his father-in-law, Dr. D. B. Currie. Mr. Kelly underwent an operation recently and will spend several weeks here while recuperating.

Mrs. Flora Posey and children, Tom, Ed, Jerry and Jake, of Dallas spent the week-end in Kerens with Mrs. J. E. Queen. Jake will remain in order to enter the Kerens school on Sept. 13th.

Mr. and Mrs. David Sherrill and daughter Sandy of Cleveland, Tex., Mr. and Mrs. Charles Sherrill and daughter, Sarah Ann and Mrs. Dorothy Sherrill of Dallas were week end guests of Mrs. Lula Sherrill.

Mr. and Mrs. John Hayes and children, Bobby and Johnnie May of Cameron, were week-end guests of Mr. and Mrs. G. W. Speed.

Jack Bain has returned from a two weeks visit with relatives in Cameron.

Mr. and Mrs. W. R. Linbarger and daughter, Phala Jois, of Dallas are visiting in the homes of Mrs. J. L. Breeding and Mrs. Bert Killen.

Elbin Price of Waco spent Saturday in Kerens with home folks.

Mrs. Elmer Norton, Miss Jerry Norton, Mrs. W. L. Bain, Jr., and Miss Malurine Walker were Dallas visitors Sunday.

Mr. and Mrs. H. H. Norton and Mrs. Elmo Smith were Corsicana visitors Sunday.

Mrs. C. M. Seale and daughter Joan, and Mrs. Andrew McCung were in Corsicana Saturday.

RELATIVES OF WILL ROGERS HAVE PARADE HONOR PLACES IN MEMORIAL RODEO OPENING

COLORADO SPRINGS, Colo., Sept. 4.—(P)—Relatives of the late Will Rogers, cowboy humorist, were assigned places of honor today in the parade that opened the "machinery" of the memorial rodeo program here.

The parade route led toward Cheyenne mountain, on a creek of which rises the Will Rogers statue of the sun, and in whose shadow lie the rodeo grounds.

An old Baldwin stag coach was provided in the parade for the honor guests, Mrs. W. S. McCord of Chelms, Okla., Rogers' only surviving sister; Mrs. Laska Lane Lockett, of Pueblo, Colorado Springs, a niece; Gunter Lane, of Claremore, Okla., a nephew, and W. M. Gulager, of Muskogee, Okla., a cousin.

Gov. Waddles that had been drifting into the city for several days put on their brightest shirts for the parade. And the prospect of sharing in the \$10,000 purse posted for the rodeo events made their eyes a little brighter, too.

Gov. Teller Ammons, who has been picking up side money with a lariat at Colorado horse operas, wagged Leonard Stroud, rodeo director, he can better his state fair self-helping record.

He hoped a dogie on the fifth try at the Pueblo State Fair, but needed only two tries later at Rocky Ford, Colo., so the governor was a good bet.

Expected here to provide western music of high quality is the cowboy band of Abilene, Texas, which appeared with Rogers in the Ziegfeld Follies.

The band will come to Colorado Springs from Mexico City to play in the ceremony Monday dedicating the shrine to Rogers' memory.

BRITISH ADMIRALTY DRAWS UP SECRET PLANS DRIVE MYSTERY SUBS OUT OF MEDITERRANEAN

LONDON, Sept. 4.—(P)—The British admiralty today drew up secret plans for presentation at a Mediterranean conference to drive "mystery" submarines from the sea that is Britain's lifeline of empire.

"Important proposals" will be made, the British government announced, when the Mediterranean powers gather next week in Geneva to discuss the League of Nations threat to European peace precipitated by submarine attacks on international shipping.

As Europe's chancelleries poured over plans for labor's house, they translated as a reference to the widespread support given the president last November when millions of unionists cast their ballots for Mr. Roosevelt.

There was no immediate reply from the administration.

As for the speech as a whole, John P. Frey, president of the mental trades department of the American Federation of Labor, called it "rather flat and colorless."

Frey said Lewis' disclaimer of communistic connections with the death "was called off its hind legs" and was "not satisfactory and convincing."

Lewis did not go into details as to his intentions involving those he said "chant their praises to the labor movement but lose no chance to drive their knives into labor's defenseless back."

He did, however, suggest that it would be to the advantage of workers to wage their battles together and to lend new emphasis to predictions Lewis may seek to form a third party in the 1940 elections.

Scores Anti-Wage and Hour Bloc.

"The spectacle of august and dignified members of congress, servants of the people and agents of the republic, skulking in hallways and closets, hiding their faces in a party caucus to prevent a quorum from acting upon a labor measure, is one that emphasizes the perfidy of politicians and blazes the confidence of labor's millions in politicians' promises and statesmen's vows."

In denying the CIO is communistic, Lewis said the "real breeders of discontent and alien doctrines of government and philosophies subversive of good citizenship are such as those who take the law into their own hands."

Of the United States Chamber of Commerce and the National Association of Manufacturers were encouraging organization of vigilantes into bands trained "in the arts of brutality and oppression."

In his disavowal of communism, Lewis emphasized that "unionization, as opposed to communism, presupposes the relation of employment. It is based upon the wage system and it recognizes fully and unreservedly the institution of private property and the right to investment profit."

GERMAN ACROBATIC FLIER IS HUNTING NEW SHIP AFTER HE CRASHED DURING AIR RACES

CLEVELAND, Sept. 4.—(P)—By all rules of gravity, Count Otto Hagenburg of Germany, who does tricks with airplanes, had no right today to be around begging for a machine to take aloft.

The count crashed late yesterday.

It was one of those rare accidents when the packed stands at the national air races turns into a collective head away certain that the crash was the last great international speed contest.

In beating the 5-year-old record of Jimmy Hazlip by 24 minutes, Burbank to Cleveland, and smashing Roscoe Turner's Burbank-Bendix mark of 30 hours, 2 minutes, 28 seconds, Fuller collected \$13,000 in prize money. Fuller's time from Burbank to Bendix field was 9 hours, 35 minutes.

The lone woman entrant in the Bendix, Jacqueline Cochran, of Indio, Calif., claimed \$5,500 for third place—collecting \$2,500 for being the first and only woman to finish—and Earl Ortman, of Long Beach, Calif., got \$5,000 for second place.

Gladys O'Connell of Long Beach won the Amelia Earhart memorial trophy in a "powder-puff" 25-mile event, for women only.

Flying a stripped down Severely puny ship, Frank Fuller, San Francisco sportsman, streaked in from Burbank in 7 hours and 55 minutes and then roared off to Bendix, N. J., in 9 hours and 24 minutes, setting two new records for the event.

His average speed of 253 miles an hour was 64 miles an hour better than that set by two Italian airmen, Samuel Cupini and the late Enzo Angileri, in the last great international speed contest.

In beating the 5-year-old record of Jimmy Hazlip by 24 minutes, Burbank to Cleveland, and smashing Roscoe Turner's Burbank-Bendix mark of 30 hours, 2 minutes, 28 seconds, Fuller collected \$13,000 in prize money. Fuller's time from Burbank to Bendix field was 9 hours, 35 minutes.

Mr. and Mrs. H. H. Norton and Mrs. Elmo Smith were Corsicana visitors Sunday.

Mrs. C. M. Seale and daughter Joan, and Mrs. Andrew McCung were in Corsicana Saturday.

SOUTH OFFICIALS ATTACK PROBLEM OF GOOD FARM PROGRAM

MEMPHIS, Tenn., Sept. 4.—(P)—Walter Parker, New Orleans economist, offered the South's agricultural commissioners today the "machinery" of his office to set up a "positive, definite, militant program for the cotton South."

Parker backed the program outlined by Oscar Johnson, Mississippi planter and former manager of the government cotton pool, calling for "reasonable" production control based on world production and consumption estimates.

He urged delegates to the meeting of the Southern Association of commissioners of agriculture to demand a cotton program that will adjust the plight of the cotton farmer who suffers from the Smoot-Hawley tariff.

The tariff would carry on the "infernal steps in a program of 'crystallizing sentiment for a downward revision of tariffs' provided the southern agricultural commissioners record themselves in favor of a sound economic policy."

Five were fined on drunkenness charges by Judge A. E. Foster. Two were arrested and placed in jail by state officers on charges of impersonating state liquor officers. The complaints were accepted by J. C. Jacobs, assistant criminal district attorney; signed by A. H. Rebertus and filed before Judge Foster.

Buelah Brown, negro, was charged with violating the prohibition laws before Judge A. E. Foster as a result of a raid conducted at Dawson by State Liquor Officer W. M. Cooper, Deputy Sheriff J. M. Westbrook and Constable W. G. Ivey of Currie Saturday. Bond of \$250 was set and the case was transferred to the county court.

Johnston urged a program based on estimated world production and consumption, with adjustment payments to compensate farmers for losses incurred under the Smoot-Hawley tariff. The plan would be administered as under AAA but with no penalties, though compliance, he said, would be so attractive as to reduce the number of non-participants to a minimum.

Coupled with the plan was a plea for "strategic" organization among southern cotton producers to bring pressure upon southern legislators to serve the south's cotton interests as a unit.

A parity between agricultural and industrial income would be the basis for adjustment payments under the Johnson plan.

Other proposals included one advanced by Mississippi State Senator W. B. Roberts which called for an unrestricted planting program and providing for a subsidy payment on all cotton used domestically. The balance would be sold on foreign markets at world prices.

Secretary of Agriculture Wallace's program of a nine-cent loan and three per cent advance payment on 65 per cent of base acreage was criticized as "defeating the will of congress" and upheld as a program he was "legally and morally" bound to make at yesterday's session.

Three Girls Are Burned to Death Aboard Vessel

SAN DIEGO, Calif., Sept. 4.—(P)—Three girls, ranging in age from 8 to 12, were burned to death early today in an explosion aboard a 45-foot cabin cruiser en route to Santa Catalina Island. Six adult members of the yachting party were rescued.

The dead were identified as two sisters, Vivian and Violet Timberlake, and Alice Tigg. They were asleep below deck when the explosion occurred.

Coast guard officials reported the cause of the explosion apparently was due to accumulated gas fumes beneath the deck. The yacht sank after the explosion.

GREEN

(Continued From Page One.)

"(autocratic and dictatorial denunciation" of the President. Obviously referring to a Friday night address in which Lewis denounced the election time would be a time of reckoning, Green said: "He denounced Franklin Roosevelt because he didn't do what he wished him to do."

"I resent it emphatically in the name of millions of people who are the laborers of this nation."

Pleaded With Them to Return.

Of the CIO, he said, "we have pleaded with them to come back. If there is no response, then the responsibility for division must necessarily rest where it belongs."

Green was scheduled to speak in the Pan American Exposition's Cotton Bowl at 2:15 p. m. today in the principal address of the Texas Labor Day program.

At Houston, a center of CIO organization, the effort since the Lewis organization vowed to carry its efforts to every oil field worker in the vast Texas industry, John Brophy, close associate of Green, had been to speak at 5 p. m.

The A. F. of L. also scheduled a meeting at Houston, with A. S. McBride of Houston, Harvey Freeman of Washington, D. C., president of the International Oil Field, Gas Well and Refinery Workers, a CIO affiliate, was on a program at Fort Worth.

Green pleaded for peace in dealings between employers and employees in a pre-Labor Day Sabbath service at Southern Methodist University yesterday.

It assailed the "forces of selfishness, coning-doing, and greed" in industrial relationships.

The rule to bargain, not battle, should prevail, he said.

Ennis Western Union Manager Is Sent to Corsicana

ENNIS, Sept. 4.—Mrs. J. P. Elam, manager of the Western Union office here, has returned from her visit in California and has been transferred to the Western Union office in Corsicana.

Miss Maurine Bartlett of Temple is taking charge of the office. Miss Kathleen Charnan, student assistant in the Ennis office, returns to Corsicana.

Courthouse News

All departments of the courthouse were closed Monday for the observance of Labor Day with the exception of the law enforcement agencies.

District Clerk's Office.

The following cases were filed: Herman Haynie vs. Frankie Kaylie, divorce.

Lucy Jackson vs. Dan Jackson, divorce.

Homer K. Tanner vs. Drury Allen Tanner, divorce.

Sheriff's Office.

Fourteen persons were lodged in the county jail Saturday and three Sunday on various charges, including violation of the prohibition laws, gaming, drunkenness, impersonating an officer and other infractions.

Constable's Office.

Five were arrested on drunkenness charges and two for affray during the week-end by Constable Clarence Powell and Deputy Osie Renfrow.

Justice Court.

Four were fined for gaming and one for affray Monday morning by Judge W. T. McFadden.

Five were fined on drunkenness charges by Judge A. E. Foster. Two were arrested and placed in jail by state officers on charges of impersonating state liquor officers. The complaints were accepted by J. C. Jacobs, assistant criminal district attorney; signed by A. H. Rebertus and filed before Judge Foster.

Buelah Brown, negro, was charged with violating the prohibition laws before Judge A. E. Foster as a result of a raid conducted at Dawson by State Liquor Officer W. M. Cooper, Deputy Sheriff J. M. Westbrook and Constable W. G. Ivey of Currie Saturday. Bond of \$250 was set and the case was transferred to the county court.

RETIRED MERCHANT DIED EARLY TODAY; BURIAL ON TUESDAY

C. M. Adgate, aged 87 years, retired merchant and long-time resident of Corsicana, died at his home, 220 West Fifth avenue, at an early hour Monday morning.

The funeral will be held from the Sutherland-McCammon Funeral chapel, 420 West Sixth avenue, Tuesday morning at 10 o'clock, with burial in Oakwood cemetery. The rites will be conducted by Rev. T. Edgar Neal, pastor of the First Methodist church.

Surviving are his wife, a son, Tom Adgate, Corsicana; two daughters, Mrs. A. M. Laudan, Waxahachie, and Mrs. C. A. Vaughn, Corsicana; a sister, Miss Mary C. Adgate, New York City, and other relatives.

PRESIDENTIAL BOO FOR GARNER SO TEXANS STAND BY

DALLAS, Sept. 6.—(P)—A proposal by Senator Burke, (D-Neb.) that Vice-President John N. Garner be the next candidate for the presidency, today had received approval from many Texas representatives and senators.

Rep. Martin Dies of Orange declared he did not think President Roosevelt would want a third term, said, "Vice-President Garner would make an able president."

He thought Garner is the best bet, and the greatest American political leader to succeed President Roosevelt, said Rep. Nat Patton of Crockett, and Rep. George H. Mahon of Colorado, echoed: "Garner is a presidential timber in every sense of the word."

From Rep. Charles M. South of Coleman came the observation that if Garner desired he could command a good following could make a fine chief executive.

Senator Morris Sheppard and Tom Connally in Washington respectively dubbed the idea an "excellent one" and labeled Garner "a man who would 'make a fine president'."

Maury Hughes, former state democratic chairman, proposed "organizing so Garner will be certain to have Texas' votes in the 1940 national convention."

LaFollette Predicts New Alignments

OMAHA, Neb., Sept. 6.—(P)—Governor Philip F. LaFollette of Wisconsin predicted today the rise of a new national political alignment by 1940 from "the vitality and liberalism of the Middle West."

Speaking at a Labor Day celebration marking the 50th anniversary of the Omaha Central Labor Union, the Badger state governor declared that American democracy is to live and function, "there must be a political realignment that will give the American people a real choice between progressive and reactionary government."

LaFollette, titular head of Wisconsin's progressive party, said President Roosevelt was re-elected "by the largest majority in our history in 1936 because the people responded to his leadership and policies, which transcended old partisan lines."

"The American people can no longer be herded into the political lines formed on the issues of the civil war. They demand an alignment based on the issues of today," he declared.

"Realignment already has begun in America. The development will continue until reactionaries are in one camp and progressives in another. Political alignment that enables politicians to be liberal before elections and reactionary afterwards must end."

"By next year in many states, and by 1940 in the nation, the old guard of both parties will be on one side and the progressives on the other."

DRETON, ELONGATED CENTER, REPORTS TO TIGER ELEVEN

BRYAN-CORSICANA CONFERENCE GAME MAY BE TRANSFERRED SEPT. 24TH

A number of fine athletes from Purdon high school will enroll in Corsicana high school Tuesday and will report to the football and basketball teams. It is understood here that the Purdon school will carry students only through nine grades and the tenth and eleventh grade students are going elsewhere.

The athletes entering Corsicana are from Norton, huge center and basketball star. He is a kid brother of the famous Norton in Southern Methodist University, the runner-up scorer in the Southwest conference last season, his first year on the varsity club. Norton played several seasons as center on the Purdon club and is well-grounded in football. Coach Pierce is highly elated over procuring the elongated Norton who is six feet four inches tall and is plenty heavy for a man in duty in the line and in breaking up passes on defense. Corsicana did not have any outstanding center candidates reporting this year, and this gap was one of the principal sources of worry to the coaches. They were prepared for the approaching campaign. The appearance of Norton has solved that worry.

Secret Practice Sessions Effective next week, secret practices will be inaugurated by the coaches and they will drive their charges for the opening of the season two weeks hence against the Highland Park Scots.

New goal posts were installed at the practice gridiron at Purdon field this week. The practice field was used exclusively for practice and the field for the regular field will not be disturbed prior to contests.

Corsicana authorities have not definitely decided what action will be taken with reference to the rescheduled opening District 11 contest here on the night of Sept. 24 with the Bryan Broncos as the opposition. This game has been scheduled for months, but an engagement for a circus on that date made for Corsicana on that date. Coach Pierce pointed out that the game could not be played in competition to the circus, but has not made any arrangements for a change. He will likely refer the Bryan authorities with reference to the contest. In the event that Bryan does not agree to play the contest either Thursday, Sept. 23, or Saturday, Sept. 25, it is probable that the game may be transferred to Bryan.

THE VAN SWEEDENS TO REMAIN AS HEAD OF SALVATION ARMY

Major M. Van Sweden and Mrs. Van Sweden, head of the local Salvation Army corp., have been notified that they will be continued in their work in Corsicana indefinitely.

The local corps, which has had one of its best years, has again secured Envy Mrs. Phil Rainey to head the financial campaign that will be held in Corsicana this year.

NEW DELUXE TRAIN SOUTHERN PACIFIC MAKES TRIAL RUN

The new Southern Pacific 'deluxe' train passed through Corsicana on a trial run from Houston to Dallas at 12:50 Friday. No announcement as to the date it will be placed in service has been made except that it will be sometime after Sept. 15.

It is reputedly one of the finest steam-powered trains in America and is of a design similar to the articulated trains on other lines pulled by Diesel-powered units. It consists of eight coaches and the engine, all specially designed both on the interior and exterior. The exterior is finished in broad orange and red stripes greatly increasing its visibility.

The schedule for the train has not been announced and it is not known whether it will make a stop in Corsicana for passengers. It did not stop in Corsicana on its trial trip.

Ad Valorem Tax Collections August Showed an Increase

Collection of ad valorem taxes during August, 1937, showed a \$400 increase as compared with the collections of the same month last year. T. A. Farmer, assessor and collector of taxes, revealed Saturday morning.

Approximately \$1,800 were collected in 1936, while in August, this year, the figure was \$2,200. Practically all collections for the period of the year are delinquent taxes.

New Rector For Texas University Episcopal Church

REV. CHESTER L. HULTS, Austin, Sept. 4.—(Spl.)—All Saints Episcopal church in Austin, which is partially supported by the Diocese of Texas to minister to the students of the University of Texas, has installed a new rector, the Rev. Mr. Chester L. Hults. He comes from the Church of the Resurrection in Baltimore, Maryland, arriving a few days ago and thus having opportunity to organize his work before the opening of the academic year.

So many sons and daughters of Texas attend the University of Texas that thousands are expected for the coming year—that all provisions which are made for their spiritual welfare are of universal interest to the church and its members. There are eight branches of the Christian faith represented by the splendid churches near the university campus. All Saints Episcopal church and the adjacent Gregg House and Grace Hall, a girls' dormitory, are owned by the Diocese of Texas, the church having been built especially as a university chapel.

The Rev. Mr. Hults is a native of Bath, New York, and a graduate of Colgate university, class of 1928. He received the Bachelor of Divinity degree from Yale Divinity School in 1931, and did post-graduate work at the Episcopal Berkeley Divinity School. During his university career he was varsity debate associate editor of the college daily and leader of the Glee Club.

His pastoral work began while at Christ Church, West Haven, Conn. From 1931 until 1934 he was rector of St. Paul's church, Memphis, Tenn. In 1935 he was married to Miss Ruth Allen, also a graduate of Colgate. They have two children. The Rev. Mr. Hults has a fine reputation both as preacher and as pastor.

Personal Mention In Of Kerens Folk

KERENS, Sept. 3.—(Spl.)—Mrs. Charlie Speed, Mrs. D. B. Currie and Mrs. Monday to see Mrs. B. S. Brown at the Navarro Clinic. Mrs. William Bain and Mrs. J. B. Turner were Corsicana visitors Tuesday.

Mrs. D. B. Currie spent Tuesday with her daughter and husband, Mr. and Mrs. Merle Kelly of Pharr. Mr. Kelly underwent an appendectomy Monday at the Navarro Clinic Tuesday morning and is reported improving nicely.

Mrs. Howell Brister and Miss Eddie Vera Innon were Corsicana visitors Thursday.

Mr. C. L. Coates and Mrs. R. P. Walker spent Thursday in Dallas.

Mrs. Jim Dillard of Athens was a guest of Dr. and Mrs. G. H. Sanders.

Elmer Howell, Jr., has been ill this week from an infected foot, caused by stepping on a tack.

Mrs. Garfield Webster returned home Wednesday from Corsicana, where she had undergone an operation at the P. and S. Hospital.

John David King has returned to Dallas after a week's visit with his uncle and aunt, Mr. and Mrs. A. M. Smith.

Mr. and Mrs. Middleton Westbrooke and daughter, Betty Belvin, and their guests, Mrs. John Kone and daughter, Roberta, of Denton, left for Dallas today to attend the Pan American Exposition.

Mr. and Mrs. H. A. Quate had as their guests this week Mrs. John Clark of Ennis and Miss Narcissa Odham of Dallas.

Leon Fletcher and Maurice Klutts of Corsicana were Kerens visitors Wednesday.

Tom Currin of Ennis was in Kerens Wednesday. Marilyn Maxey returned to her home in Port Arthur today after a two weeks' visit with the G. M. Chapman family and other relatives.

Mrs. Robert Tyus and children, Billy, Bain and Robby Frances, and Mrs. Ama Bain and children, Anna Lois and Robert Allen, have returned from visits in Kennedy and Tobeau.

Mrs. Lena Speed continues her visit in El Paso, where she is the guest of Mr. and Mrs. Rado Leonard and Mrs. Gladys Mixon.

Mrs. Grover Crawford and Mrs. E. O. Herrell were Corsicana visitors Thursday afternoon.

Mrs. Elmo Smith has returned from Philadelphia, Pa., where she was the guest of her daughter and son-in-law, Mr. and Mrs. Mark Hill.

Mrs. Hill and children, Betty Lou and Mark Jr., drove their mother home, arriving about 6 p. m. Sunday. After a few weeks' visit they will be accompanied home by their son, Winslow, who has spent the summer in Kerens.

Mrs. T. P. Fluker of Corsicana spent Thursday in Kerens.

Mrs. M. S. Cook was here from Corsicana Wednesday.

Card of Thanks. We wish to take this method of thanking our many friends who were so kind to us during the loss of our home. We are so grateful to the beautiful shower given by our many friends. And we wish to thank the Red Cross too. If trouble ever comes your way and it be God's will that you have just such loyal friends as we had.

Mr. and Mrs. Jessie Kirk, and family.

Lightning Kills Prize Steer. KERENS, Sept. 4.—(Spl.)—One of J. C. Walker's prize whiteface steers was struck and instantly killed by lightning at his farm a few miles from Kerens, Wednesday evening. The steer was a year old and weighed approximately 1600 pounds.

INCREASE IN NUMBER AUTO REGISTRATIONS IN NAVARRO COUNTY

ADDITIONAL PLATES HAVE BEEN RECEIVED FROM STATE DEPARTMENT

An increase in the number of automobiles registered this year as compared with the previous year was noted Saturday morning in the records of the office of T. A. Farmer, assessor and collector of taxes.

New shipments for license plates have already been necessitated. There had been 7,699 automobiles registered in Navarro county Friday as compared with 7,520 on the same date in 1936. An increase of 170 passenger cars. There were 8,258 passenger automobiles registered for the year of April 1, 1936 to March 31, 1937, and with seven months remaining in which cars are to be registered, it appears that the number at the end of the present fiscal year will surpass that of last year.

The state sent only 7,600 passenger plates and supplemental lists starting with a K—are now being used for new registrations. Supplemental numbers for farm, trailers and commercial trucks have also been received. The original shipment from the state to Navarro county was 7,600 passenger plates, 1,000 commercial trucks, 700 farm trucks and 235 trailers.

PIONEER RESIDENT OF RURAL SHADE BURIED WEDNESDAY

KERENS, Sept. 4.—(Spl.)—Funeral rites were held at Long Prairie Wednesday afternoon for M. O. Holliman, who was one of the pioneers of Rural Shade. Rev. M. O. Cheek conducted the services, an interment was at the Long Prairie cemetery under the direction of the P. N. Stockton Funeral home.

Mr. Holliman was born in Mississippi on Dec. 21, 1886; arrived Nov. 27, 1895, to Miss Sallie Locklar, who, with five children and two sisters survived him. The children are Raymond and George. The sisters are Mrs. W. M. Cole and Eben Holliman of Midland, Rowe and Richard Holliman of Kerens; the sisters are Mrs. D. P. May of Waco and Mrs. Alice Locklar of Midland.

Shower For Recent Kerens Bride; Other Items of Interest

KERENS, Sept. 4.—(Spl.)—Honorary Mrs. Raymond and Cooper, a recent bride, Mrs. A. B. Kerley entertained with a miscellaneous shower on Tuesday afternoon. Forty-five guests registered in the bride's book. During the series of games which followed, the honoree had the good fortune to win first prize, and the other prizes, won by Misses Juanita Fay Redwood and Virginia Crowley, were also presented to her. After viewing the lovely array of gifts, punch and cake were served.

Out-of-town guests included Mrs. John Sparks, Ennis; Messrs. James Lemmons, Aris Johnson and Leroy Johnson of Trinidad; Mrs. Clayton Watson, Shreveport, La., and Mrs. S. A. Morton of Malakoff.

Mayo Family Enjoy Picnic

KERENS, Sept. 4.—(Spl.)—Five generations of the Mayo family of Kerens, gathered at the Dan Overton grove on August 29 for a picnic and family reunion. Over 200 persons were present on this memorable occasion, and a committee was appointed to perfect plans to make the reunion an annual event.

At the noon hour lunch was served, picnic style. Relatives and friends were present from Mexico, Teague, Dallas, Cleburne, Mabank, Tyler, Kilgore, Gladewater and Overton.

Make Extensive Trips

J. F. Queen is home from a visit to her childhood home in Canby, Miss., and also pleasure trips to Wheeler Dam, Muscle Shoals, Pickwick Dam, the Shiloh National Park, and the Clarence Saunders museum.

Cards are being received from Mrs. Iris Brawley and daughter, Dorothy, who are enjoying a trip through the Middle West, Detroit, Chicago and Canada.

BY P. U. Picnic

KERENS, Sept. 4.—(Spl.)—Rev. and Mrs. M. O. Cheek chaperoned the intermediate B. Y. P. U. of the Baptist church on a picnic Thursday evening at the T. P. & L. picnic grounds in Trinidad.

Quite a large crowd of boys and girls met at the church at 6:30 p. m. and drove over in cars. Upon arrival, a varied assortment of games were played, and then a bountiful spread of sandwiches, potato chips, pickles, punch and cake was enjoyed.

Card of Thanks

We express our thanks for the loving kindness and sympathy of our many friends and neighbors at the death of our father, May God bless each and every one of you.

Mrs. W. M. Leatherwood and family of Terrell. Mr. and Mrs. Frank Shaw of Dawson.

Mr. and Mrs. Burley NeSmith of Corsicana. Mr. and Mrs. Lynn Wilson of Odessa.

A. W. Bernun, Hugh, Violet, J. C. Jr., and Raymond Carroll Smith, all of Corsicana.

Mrs. W. M. Layton Reported Improved

Mrs. W. M. Layton, recently stricken with paralysis while visiting her daughter, Mrs. Carl Bergman, and family at Laredo, was reported somewhat improved Friday morning, but was still in a serious condition.

Her son and daughter-in-law, Mr. and Mrs. Robert E. Layton, will leave early Saturday morning for Laredo to visit their mother. They will be joined by a brother, Roy Layton of Teague, for the trip.

Mrs. Talley Heads National Fraternal Congress of America

MRS. DORA A. TALLEY, Omaha, Neb., Sept. 4.—(Spl.)—Mrs. Dora A. Talley, of Omaha, Neb., president of the Supreme Forest, Woodmen Circle, was elected to the presidency of the National Fraternal Congress of America at a meeting of that organization in Columbus, Ohio, September 1. She was formerly vice president of the organization which is composed of more than 90 fraternal benefit societies.

Her unanimous election as president of the congress was a fitting tribute to her long career in fraternalism, according to Mrs. Jean Willard of Denison, Texas, who nominated her for the office. In 1911 Mrs. Talley was elected National Secretary of the Woodmen Circle and moved to Omaha where the headquarters of the Society is located. She continued in this office until three years ago when the office of national president became vacant on account of the death of the then national president, the late Mrs. Mary E. LaRocca, at which time she was unanimously chosen president.

In her three years at the head of the society, Mrs. Talley has gained national recognition for her fraternal activities and for the growth of the assets and membership of the Woodmen Circle. She was the dominant motivating factor in the establishment of the Woodmen Circle Home for Aged members and Orphan Children in Sherman, Texas, and is at the head of the society's field work and finance committees.

WORK DONE UPON OLD JUNIOR HIGH BUILDING STATED

W. P. McCammon, president of the Corsicana board of education, met with a group of parents at the high school Friday morning, and told them what had been done at the old junior high school building this summer, to make the building safer for occupancy this year. He pointed out the removal of the fire and collapse hazards were temporary and it is hoped the citizens of Corsicana will take definite steps in the future to provide permanent relief from the hazards.

The columns facing on West fifth avenue have been removed. The porch covering was taken down; loose brick and masonry over the doors and windows were removed or replaced; the classroom doors were changed to open outward; the rooms are now fireproof materials have been put on the ceiling in the boiler room, Mr. McCammon said.

The work was done following recommendations of two members of the housing division of the State Department of Education, Austin.

Trinidad Baptist Sunday School Class Entertained Thursday

The Home Makers Sunday school class met in the regular monthly meeting Thursday evening at 8 o'clock. We were entertained with an outdoor get-together party. Mesdames E. M. Forehand and Dan Peterson being the hostesses. We enjoyed several lively games, such as the potato race. Mr. Forehand and Fred Scoggins being the winners.

After this, we were served with sandwiches, cookies, candy pinned in a napkin, and delicious punch.

Twenty-one were present, they being Jack Nickelson, Mr. and Mrs. Fred Scoggins, daughter, two sons, Mr. and Mrs. Bill Haight, two daughters; Mr. and Mrs. Vernon Thobert, Mrs. Willis, Tom King, Ennis, J. C. Patterson and daughter, E. M. Forehand, Dan Peterson, and the hostesses. Plans were discussed for a slumgullion party soon.

CLARK D. WALTON, NATIVE CORSICANAN, BURIED IN DALLAS

DALLAS, Sept. 4.—Funeral services for Clark D. Walton, aged 45 years, who died Thursday, were held here Saturday morning at 10:30 o'clock with Rev. W. Harrison Baker officiating. Interment was made in Hillcrest Memorial Park.

Mr. Walton was born and reared in Corsicana. Surviving are his wife, Mrs. Elizabeth Walton; seven brothers, Miller, Walton, Dallas; George B. Walton, Paragould, Ark.; James Walton, Oklahoma City; Wesley Walton, Dallas; Robert Walton, Freer, Lonnie Walton, Houston; Preston Walton, Bryan; two sisters, Miss Hattie Alice Walton, Tulsa, Okla., and Mrs. E. E. Butler, Oklahoma City, and other relatives.

Funeral services were held at the home of Mrs. Walton, 411 E. 11th St., at 10:30 a. m. Saturday morning. Burial was in Hillcrest Memorial Park.

Married at Court House

Loy and the Eulie Lee Nichols, both of Eureka, were married at the court house Saturday afternoon. The ceremony was performed by Judge A. E. Foster.

GIRLS 4-H CLUBS URGED MAKE ENTRIES THROUGH DIVISIONS

COUNTY FAIR PLANS MAKE INDIVIDUAL EFFORTS SECONDARY

Continuing the education motive behind the Navarro County Fair and Livestock Exhibit to be presented in Corsicana on October 13-16, the Girls 4-H Club exhibits in specified divisions are suggested for entry rather than individual efforts. Mrs. S. B. Watson is chairman of the division. Numerous opportunities for awards are offered in the various competitive classes.

The fair catalog has the following to say about this division: To follow the general plan of endeavoring to make the fair exhibits an educational as possible, the Girls 4-H Clubs will each sponsor an Educational exhibit. They may be built around any of the following subjects:

1. Refinishing Furniture.
 2. Candlewick Bedspreads.
 3. Canning Fruit Juices.
 4. Adequate Bed.
 5. Fruit in the Diet.
 6. Canning Tomatoes.
 7. Histories and Records.
- Other subjects may be used, if approved by the Home Demonstration Agent. Each Girls Club will be given a flat sum of \$300 to cover any incidental expense in connection with the assembling of a good exhibit.

Individual Exhibits (For Girls Under 14 Years.)

- | | | | |
|--------------------------------------|-------------|-----|------|
| 1. Best Tuffed Bedspread |\$1.00 | .75 | .50 |
| 2. Best Other Bedspread |1.00 | .75 | .50 |
| 3. Best Dresser Scarf |75 | .50 | Rib. |
| 1. Best Container of Tomato Juice |\$1.00 | .75 | .50 |
| 2. Best Container of Canned Tomatoes | 1.00 | .75 | .50 |
| 3. Best Container of Canned Apples | 1.00 | .75 | .50 |
| 4. Best Container of Canned Berries | 1.00 | .75 | .50 |
| 5. Best Container of Canned Peaches | 1.00 | .75 | .50 |
| 6. Best Container of Canned Plums | 1.00 | .75 | .50 |
| 7. Best History and Records |1.00 | .75 | .50 |

Girls 14 years and over will have same classification of entries but will be judged in a separate group in order not to compete with the younger group.

We invite all 4-H Club girls to exhibit in this department. Those interested should consult with the Home Demonstration Agent for further instructions and helpful suggestions.

The same general rules will apply in this department as in the Home Demonstration department.

Austin Streets Flooded. AUSTIN, Sept. 3.—(P)—A two-inch rain, recorded in less than two hours, flooded streets and today, temporarily halting traffic. The weather bureau said the disturbance was local in nature.

ABOUT 90 PER CENT OF COTTON QUALIFY FOR FEDERAL LOANS

WASHINGTON, Sept. 4.—(P)—Government cotton experts estimated today that about 90 per cent of this year's cotton crop would qualify for loans under terms announced by the commodity credit corporation Monday.

The estimate came from the bureau of agricultural economics and was based upon proportions of various grades and staples of the cotton crop last year.

The government loan of 9 cents a pound was offered on middling and better grades not shorter than 7-8 inch in staple. An 8 cent loan was limited to middling and better in grade of 13-16 inch, and the 7-3-4 cent loan to cotton grading below middling, not shorter than 7-8 inch.

The economists said the estimated crop of 15,593,000 bales should produce about 15,250,000 running bales, with about 13,470,000 running bales eligible for loans.

Of this they said, 61 per cent should qualify for loans at 9 cents, 3 per cent for 8 cents and 28 per cent for 7-3-4 cents.

If last year's averages hold, they said, about 10 per cent, or 1,510,000 bales would be below the lowest requirement.

Prominent Waco Banker Drops Dead On Golf Course

WACO, Sept. 4.—W. W. Woodson, 61, president of the First National Bank of Waco, dropped dead on the golf links of Spring Lake Country Club, six miles north of Waco, as he was preparing to make the eighteenth hole of a golf game Friday.

Born in Montgomery, County, Mr. Woodson was prominent in Texas banking circles. He was a former president of the Bankers' association of Texas and was widely known in national banking affairs.

Mr. Woodson was well known to many Corsicans and his death came as a distinct shock to several friends in this city.

PREPARATIONS FOR OPENING OF SCHOOLS BEEN COMPLETED

APPROXIMATELY 1,000 STUDENTS REGISTERED IN HIGH SCHOOLS

With approximately 1,000 students already registered in the junior and senior high schools, and preparations well in hand for the registration of students in the elementary grades, Corsicana school officials announced today everything was in readiness for the opening of the 1937-38 year Tuesday, Sept. 7.

Superintendent W. H. Norwood announced Saturday that the faculty list has been completed, and most of the teachers have arrived and are located, ready to meet their classes Tuesday. A general teachers' meeting will be held at 9 o'clock Monday morning. Superintendent Norwood said, which will be followed by separate faculty meetings of the individual schools, when the teachers will be given their final instructions and materials.

Approximately 600 senior high school students had registered and made out their programs this week, and about 430 students had completed their registration program making at the junior high school.

Students who intend to attend the junior and senior high schools and who have not already made out their programs, are urged to do so Monday afternoon. Superintendent Norwood pointed out, because on account of numerous other duties the principals will not be able to classify the students on opening day. At least four sections, including commercial arithmetic, bookkeeping, shorthand and typewriting, have already been filled to capacity, and students desiring those subjects will have to wait until next year to take them.

Parents of children entering the first grade for the first time this year, met with the principals of their schools Friday morning, and a number of parents of children who will be attending the Corsicana schools for the first time this year did likewise.

Some of the school janitors have been on duty all the summer, getting the buildings and grounds in readiness for the opening of the fall term, and all the janitors have been on duty the last several weeks, thoroughly cleaning and preparing the buildings for occupancy.

A considerable amount of work has been done on the old junior high school building, facing on West Fifth avenue, removing columns and loose bricks and masonry, fireproofing the boiler room and changing the classroom doors to swing outward.

Second Operation Performed on Arm

D. C. Pinchbeck underwent a second operation on his left arm, injured in an automobile accident a number of weeks ago, at St. Paul Hospital, Dallas, today morning. Attending surgeons reported the operation successful and the patient was resting well Saturday and will be able to return to Corsicana shortly.

World Almanac Editor Dies. NEW YORK, Sept. 3.—(P)—Robert Hunt Lyman, 73, editor of the World Almanac until his retirement in 1936, died today.

Rough Wrestling Seen Contests Here Thursday

Sailor Barto of Montreal, Canada, and Roy Reynolds, Denver, Colo., gave the cash customers plenty of action Thursday night in the main wrestling event at the local arena. The contest was rough and rugged. Reynolds took the first fall in 33 minutes by employing a top body spin, while the second went to Sailor in eight minutes after he applied a Japanese toe hold following a series of flying tackles. The two grapplers failed to gain the deciding fall during the remainder of the 90 minute time limit. An added attraction was given after the match had been officially declared to be a draw when Barton chased Reynolds out of the ring, and employed a chair in an attack, but they were separated by spectators.

The semi-final match also ended in a draw. Rosy Red Rogers of Fort Worth substituted for Jap Martin and met Robie Smith of New Orleans. Much rough stuff was seen in this match. Rogers won the first fall in 20 minutes and Smith was awarded the second fall by Referee M. O. Rike in six minutes after Rogers had pinned Smith's shoulders because of alleged roughing. The time-limit expired before a deciding fall was obtained.

A Japanese toe-hold employed by Roughhouse Nelson of Kansas City ended the preliminary rough battle in 20 minutes with Bill Sofy of Sherman the victim.

Meat Prices To Decline Expert Assures Nation

WASHINGTON, Sept. 4.—(P)—Housewives who have been howling about the high cost of meat had the word of government experts today that prices had reached a peak and declines would follow shortly.

Charts on retail meat prices at the Bureau of Agricultural Economics showed they had touched seven year highs recently—especially for tender juicy steaks and savory pork chops.

The economists said high prices were caused by droughts and business recovery.

The decline will come, the economists predicted, as a result of larger crops and protests by the public over high costs.

They said meat prices usually are highest about this time of year and gradually taper off till early spring when they turn upward.

The American Federation of Labor, stating living costs in July were 4.3 per cent higher than during the same month last year, declared workers will be forced to a lower standard this fall unless their pay checks are at least five per cent larger than in 1936.

World Almanac Editor Dies. NEW YORK, Sept. 3.—(P)—Robert Hunt Lyman, 73, editor of the World Almanac until his retirement in 1936, died today.

The World Demands QUALITY COTTON

DREAM OF EVERY BUCK PRIVATE HAS COME TRUE ONCE

FRESHMAN PRIVATE A. & M.
33 YEARS AGO IS NOW
COMMANDANT THERE

COLLEGE STATION, Sept. 6.—(Spl.)—The dream of every buck private in the rear rank to "run this blank army" has come true, in a large measure, for at least one former Texas Aggie.

Thirty-three years ago George F. Moore shouldered arms as a freshman private in the Texas A. and M. College cadet corps. This summer that private, now a lieutenant colonel in the coast artillery corps of the United States army, took command of the college military department.

On Sept. 1, Colonel Moore also assumed duties as commandant of the college cadet corps, and thus became "head man" of all college military activities. He is the first regular army officer in five years to be commandant of cadets, reserve officers having held the post in the interim, and the first army officer other than an infantryman to head the college military staff in more than 15 years.

Colonel Moore succeeds Colonel Converse R. Lewis, who has been transferred to duty at Governor's Island, New York, as professor of military science and tactics, or head of the military department, and Colonel Frank G. Anderson, reserve officer commandant, who has been named a professor of physical education.

Entered A. and M. in 1904, Born in Austin on July 31, 1897, Colonel Moore entered Texas A. and M. College in the Fall of 1904. He roomed the Kyle Field gridiron as a regular guard and tackle in 1906 and 1907 after two years as a substitute player. He also was prominent in other student activities.

Colonel Moore graduated from the college in 1908 with intentions of becoming a civil engineer, but he turned definitely to a military life with his appointment as second lieutenant on Sept. 25, 1909. He was promoted to first lieutenant in 1912, captain in 1917, major in 1920 and lieutenant colonel, his present rank, in 1934.

Following his record as a distinguished graduate of the Coast Artillery School in 1915, Colonel Moore graduated from the Coast Artillery Advanced School in 1927, the Command and General Staff School in 1928 and the Army War College in 1934. His graduation from the war college not

P. AND S. HOSPITAL SHOWS AN IMPROVED FINANCIAL STATUS

INDEBTEDNESS REDUCED AND
IMPROVEMENTS ARE
BEING PLANNED

An improved financial condition of the P. and S. Hospital, Navarro county institution, was noted at the regular monthly meeting of the Navarro county hospital board held Sunday afternoon.

The outstanding indebtedness was reduced to \$428.22 after August claims were allowed and ordered paid.

There were 67 patients admitted to the hospital during the month of August, 17 of whom were charity patients. Charity work done by the hospital amounted to \$875.78 while that done by the physicians amounted to \$1,370. Pay later accounts uncollected amounted to \$221.50, making the total charity \$2,672.21.

Collections from patients for the month totaled \$1,041.60. Operating expenses were \$1,129.99. Old accounts paid were \$410.84, for total expenditures at \$1,540.83. Navarro county commissioners court appropriated \$500 per month toward the maintenance of the hospital.

The board Sunday ordered advertisements for bids for the painting of the exterior woodwork of the main hospital building, fence and the interior of the wards, operating and hospital rooms.

A gas machine recently purchased is in use at the hospital, provided for in the budget, recently by the commissioners court. The board will meet in recessed session Sept. 10 to open bids for a new heating plant for the hospital, also a budget project as is the painting proposal.

Venetian blinds for the \$5 per day rooms, supplemental silverware, dish and linen supplies were authorized Sunday as well as renovation of mattresses and the purchase of new blankets.

Bids for the repainting are scheduled to be opened Sept. 28.

HEAVY COMPETITION IN BOTH DAIRY AND BEEF CATTLE SEEN

HARRIS AND MAYBERRY
CHAIRMEN OF IMPORTANT
DIVISIONS OF FAIR

Extensive competition is expected in the dairy and beef cattle divisions of the Navarro County Fair and Livestock Exhibit in Corsicana on October 13-18. R. L. Harris is chairman of the dairy division while Marvin Mayberry is chairman of the beef cattle department.

Rules, regulation and prize lists follow:

Entrants in this department will be closed at noon, Wednesday, October 13.

Blanks may be secured from the chairman or at the Chamber of Commerce office. Will be glad to mail entry blanks on request. No exhibitor will be permitted to show more than two animals in any class on account of limited space.

Each animal must be registered and certificate exhibited to chairman upon request. The base for computing ages in this class will be September 1.

Prospective exhibitors should consult the chairman to determine what steps will be necessary to comply with the rules of the Livestock Sanitary Commission before you can show an animal.

Guernsey, Class No. 1
1. Bull, 3 years and over, \$5.00, \$3.00, ribbon.
2. Bull, 2 years and under 3, \$5.00, \$3.00, ribbon.
3. Bull, 1 year and under 2, \$5.00, \$3.00, ribbon.

4. Bull yearling, over 6 months and under 12 months, \$5.00, \$3.00, ribbon.
5. Bull calf, under 6 months, \$5.00, \$3.00, ribbon.
6. Cow, 3 years and over \$5.00, \$3.00, ribbon.

7. Cow, 2 years and under 3, \$5.00, \$3.00, ribbon.
8. Heifer, 1 year and under 2, \$5.00, \$3.00, ribbon.
9. Heifer calf, over 6 months and under 12 months, \$5.00, \$3.00, ribbon.

10. Heifer calf, under 6 months, \$5.00, \$3.00, ribbon.
Senior champion bull, ribbon.
Senior champion cow, ribbon.
Junior champion bull, ribbon.
Junior champion cow, ribbon.

All entries must be on written blanks and should be in the hands of the secretary by October 12. This will give the management time to make the necessary accommodations. There is a amount of available exhibit space is definitely limited and exhibitors should make their reservations early.

Each animal must be registered and certificate exhibited to the chairman upon request. The base for computing ages in the senior class will be September 1.

Hereford, Class No. 1
1. Bull, 3 years and over, \$5.00, \$3.00, ribbon.
2. Bull, 2 years and under 3, \$5.00, \$3.00, ribbon.
3. Bull, 1 year and under 2, \$5.00, \$3.00, ribbon.

4. Bull, under 1 year, \$5.00, \$3.00, ribbon.
5. Cow, 3 years and over, \$5.00, \$3.00, ribbon.
6. Cow, 2 years and under 3, \$5.00, \$3.00, ribbon.

7. Heifer, 1 year and under 2, \$5.00, \$3.00, ribbon.
8. Heifer, under 1 year, \$5.00, \$3.00, ribbon.
Grand champion bull, ribbon.
Grand champion cow, ribbon.
Grade Herefords and Shorthorns. The same age classifications shall govern in this section with the following premiums:

First place, \$3.00; second place, \$2.00; third place, ribbon.

**FOURTH OF SERIES
GOODWILL BANQUETS
RICHLAND THURSDAY**

Tickets for the fourth of a series of "Goodwill Banquets" to be held at Richland on Thursday night were placed on sale yesterday, and a good demand was reported. The meetings are sponsored by the trade extension committee of the Corsicana Chamber of Commerce, with Sydney Marks as chairman.

Chairman Marks urged Corsicana business and professional men to get their tickets early so that adequate arrangements could be made for the affair.

Ice Cream Supper.
There will be an ice cream supper at Dresden Saturday night. The proceeds will go to the cemetery fund. The public is invited.

NEW AGRICULTURAL PROGRAM WILL BE BETTER THAN 1936

COLLEGE STATION, Sept. 6.—(Spl.)—The 1937 agricultural conservation program will be more successful than the 1936 program, George Slaughter, chairman of the Texas Agricultural Conservation Committee, predicted here after a meeting of the committee.

The state AAA office has received 239,084 applications for entry in the current program, with a hundred of the number received in 1936, Slaughter said, the fact that farmers are more familiar with the program than they were last year leads him to believe that a greater number will comply with the terms under which grants are made.

Of the more than 239,000 farmers who filled out work sheets in 1936, some 168,400 fulfilled provisions of the program. These farmers diverted 4,338,000 acres from soil-depleting crops to soil-building uses, and employed soil-building practices, such as terracing, on an additional 4,901,891 acres.

The state office has suspended 52,560 work sheets and returned them to the counties for correction. All except 402 have been corrected and returned to College Station, Slaughter said.

Work sheets have been sent to 123 counties for final adjustments, according to Slaughter, and some 80 additional counties will have their quotas released within the next few days.

More than 18,000 applications for appraisal under the range conservation feature of the program are in the state office, Slaughter said. These applications cover in excess of 62 million acres. Range supervisors are checking range improvements and practices completed by ranchmen in 173 counties.

Kerens Car Stolen.—(Spl.)—A Dodge sedan, belonging to Elmin Howell, was stolen from the lawn at his home on Highway 31, Friday night. Officers located it Saturday morning in Mabank, wrecked and stripped. No clues have materialized as to the thief.

MRS. LILA PETRIS DIED HERE SUNDAY; BURIAL ON MONDAY

Mrs. Lila Petris, aged 48 years, died at her home, 321 West Fifth avenue, Sunday afternoon at 3 o'clock. Funeral services are to be held from the Cumberland Presbyterian church Monday afternoon at 4:30 o'clock with interment in Oakwood cemetery. The rites are to be conducted by Rev. N. A. Woychuk, pastor of the church, assisted by Rev. John T. Kee, Mildred Baptist minister.

Surviving are a sister, Mrs. Hattie Washburn, of Hattiesburg, Miss.; a brother, Beverly Walker, Corsicana; and a nephew, J. D. Taylor, Dallas. Mrs. Petris was a daughter of the late George B. Walker.

Funeral services are to be held at 4:30 p.m. Friday, Hal Keener, S. H. Hornbeak, Leon Cox and Roy Thompson.

Sutherland-McCammon Funeral Home is in charge of arrangements.

Jacksonville C. C.
Manager Will Speak
For Lions Tuesday

Clarence K. DeBusk, manager of the Jacksonville Chamber of Commerce, will be the guest speaker Tuesday on the Lions Club program. His subject will be "The water-shed as a unit in the control of floods and the prevention of soil erosion."

Mr. DeBusk is one of the best known chambers of commerce executives in Texas and has done an outstanding piece of work in crystallizing public sentiment in behalf proper legislation on the question of proper control and utilization of flood waters on our Texas streams. He is an interesting and effective speaker, and a full attendance of the club is urged.

The entertainment number on the program will be given by Misses Glenna and Frances Watson, H. J. Robbins and R. W. Knight are the program committee in charge.

Said I'm going to have an extra key, but for some reason or other they just don't. Then that which never happened will happen, they lose the only key.
Keys are 25 Cents.

Concrete Pouring On Highway 22 Resumed

Pouring of concrete on Highway 22 west of Barry was resumed Saturday after a several day shut-down due to rains and other causes.

The contractors planned to push the work this week if weather conditions do not interfere.

Beauty Diary

of Edna Kent Forbes
TODAY'S BEAUTY DIARY

THE BEAUTY DIARY
Follow the Beauty Diary! It tells you one valuable thing each day to do for your good looks. Do what it tells you and watch yourself grow lovelier.

Today I went to a very special sort of hair dresser, thinking that an occasional indulgence in the beauty line is always a good investment. Besides, a summer of sun bathing and going comfortably to a hair dresser had produced a shaggy, untidy mop on my head, which would not reconcile itself to the sleek black felt hat I tried on at 10 o'clock.

The hair dresser being used to those sick and well cared for creatures who think nothing of spending five dollars at a time on their hair, assumed a very grave expression when he started work on me. Clearly, he thought, this is a child of Nature; she might look well riding over some prairie, but what is she doing in a large and prosperous city? And what is she doing in a shop such as mine?

However, he decided not to throw me out. He went to work with a sort of pinkish scissors, which cut off bits of the hair here and there, and thinned it down to neatness. He shaped it in the back to a V, making my head look slender. He rubbed the scalp with oil and sat me under a lamp, which heated the scalp and sent the oil into it, presumably. He washed the hair with more oil, and rinsed it, and, now looking more hopeful about me, he produced a rinse which gave back the color the sun had dried out. He sprayed the wet hair with a lotion, partly oil, set it in lovely waves, dried me under a machine.

Again he snipped and thinned and shaped, after I was dry, until he had entirely subdued that mop of hair and made it glossy and beautiful. Indeed, I did not

realize my hair was so good looking. Next week, I think, I shall do all this at home, meantime, I shall buy that black hat.

J. L.—A shiny red nose usually indicates a toxic state of the system.

If you have any beauty problems you can write for Edna Kent Forbes three NEW beauty booklets: (1) "Fifteen Minutes A Day For Beauty," (2) "The Five Points Of Beauty," (3) "Bathing and Bathing For Beauty." Send ten cents (in stamps) for each booklet, to pay for printing and handling and enclose a 3x5 card. Address Edna Kent Forbes, c/o this paper.

Union Revival At Teague Attracting Much Enthusiasm

TEAGUE, Sept. 3.—(Sp.)—Crowds are growing larger and enthusiasm is mounting as the gets ready for its second big week. The First Methodist, Methodist Protestant, First Presbyterian, First Baptist and First Christian churches have joined forces for the meeting, with Rev. Calvin Nelson of Palestine doing the preaching and J. C. Cohen of the same city leading the song service.

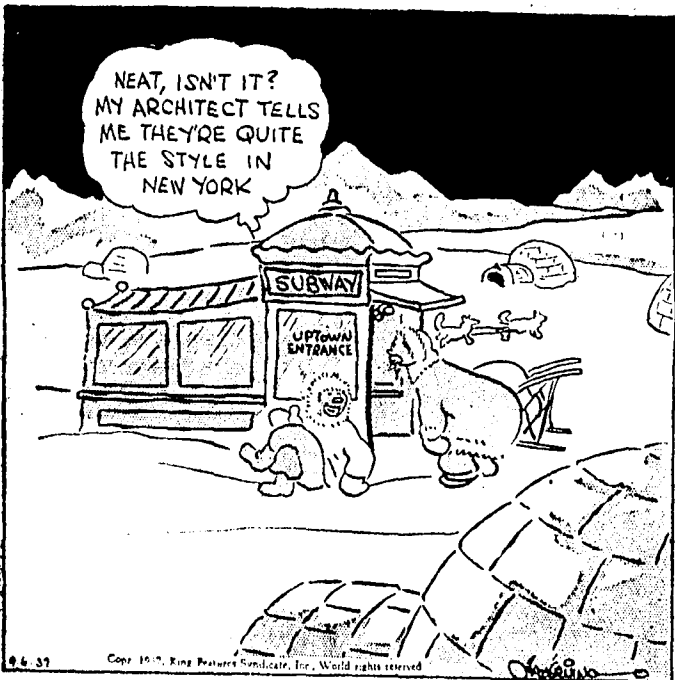

All evening services are held at a specially constructed outdoor tabernacle on the corner of Fifth and Cedar streets, and morning meetings are in the First Christian church with the exception of Sunday morning when each pastor has charge of his own individual services in his own church. Rain has forced two of the evening services to be held in the standing room was a premium despite the inclement weather.

Ball Player Forced To Purchase Ticket

CHICAGO, Sept. 3.—(P)—Cervyn Connors, formerly of Dallas in the Texas league and now being given a trial with the White Sox, is contemplating presenting the Chicago club with a bill for \$120.

Connors, a third baseman, reported as the Sox were playing Boston, and after vainly trying to convince gatekeepers he was a new employee, gave up and bought a ticket into the park.

SPECIAL SESSION OF LEGISLATURE CALLED MEET SEPTEMBER 27

ALLRED WILL ASK LAW-MAKERS TO LEVY DECLARED NEEDED NEW TAXES

AUSTIN, Sept. 3.—(AP)—Governor James V. Allred today set September 27 as the date for the convening of the special tax-raising session of the legislature.

The chief executive will ask the lawgivers to levy more taxes for old age and teachers' pensions, aid to the needy, blind, dependent children and the ordinary purposes of government.

He said he would make specific tax recommendations but did not yet know exactly how much money would be required.

The governor had intimated only yesterday he might call off the session because of the attitude of some senators that no substantial additional taxes are necessary. He said jokingly that some of the newspapers printed headlines he was "weakening" on the session and he decided it was time for definite action.

Old age pensions authorities maintain they need at least an additional \$3,500,000 for support of pensions during the fiscal year which started Wednesday. It has been estimated that between \$1,500,000 and \$2,000,000 annually will be required for teachers' pensions and a similar amount for aid to dependent children and the blind.

State Auditor Tom King near completion of an estimate of the amount required to meet increased appropriations in the coming year and start cutting the \$10,500,000 deficit in the general fund, he said he would submit his figures to the governor within a day or two.

At the outset of the regular session, Allred recommended increased taxes on natural resources and corporation franchises. The house approved such increases but the proposals died in the senate state affairs committee.

Secretary of State Edward Clark reported to the senate economy and efficiency committee that the revision of the franchise law, including removal of reduced rates allowed oil pipe lines, public utilities companies and corporations capitalized at more than \$1,000,000 would raise revenues considerably.

CONNALLY DECLARES WILL MAKE FIGHT IN EFFORT AID COTTON

WASHINGTON, Sept. 3.—(AP)—Senator Tom Connally (D-Texas) said today after a conference with Chairman Jesse H. Jones of the reconstruction corporation that the 1937 cotton loan program should be in operation Sept. 13.

He said forms to be used in the transactions would be mailed out of Washington in a week, and that they should be in the hands of nearly all regional administrators by September 13.

"Meanwhile, the farmer can get immediate cash from his loan," Connally said. "Mr. Jones has assured bankers that as soon as the plan is in operation they will take up all notes which cover interest may be charged by the banks during the interim, the amount should be nominal."

Connally said he would discuss with Secretary Wallace late in the day the matter of adjustment payments between the loan or market price of cotton and the 12 cents a pound income which he said has been assured farmers.

Later Connally said Secretary Wallace assured him the regard less of their compliance with the 1937 soil conservation program, cotton farmers would be eligible for the cotton loans.

"There has been much misunderstanding as to whether farmers who did not comply with the 1937 soil conservation program would be entitled to the loans," Connally said. "Mr. Wallace made clear to me that as in the case of those who did participate in the program, they would receive loans on 65 per cent of their base acreage."

He made it equally clear, however, that they must agree to comply with the 1938 program, and after such compliance will receive the benefit payments."

WASHINGTON, Sept. 3.—(AP)—Senator Connally (D-Tex) promised today a "determined fight" in behalf of cotton when the administration crop control legislation comes up in next session of congress.

Cotton, Connally contended, deserves "special treatment" because "it is the one agricultural commodity that can get no benefit from the tariff."

The Texas said he was "greatly disappointed" when Secretary Wallace fixed loans at nine instead of ten cents a pound to supplement the subsidy congress voted last month with the aim of assuring growers a return of 12 cents a pound.

Loans of ten cents, such as made in 1935, would have tended to "support the market" more effectively, he contended.

Connally arranged to confer today with Jesse H. Jones, director of the commodity credit corporation on details of administering cotton loans.

Rufus Pevehouse to Mrs. Ruby McLaughlin, 46 acres M. P. Price survey, \$10 and other considerations.

W. B. Coates et ux to Charles E. Reese and L. Murphy, 50 acres McKinstry survey, \$10 and other considerations.

Partition Deed. J. S. Nelson et al to Lillie Buford et al, 16 acres R. C. Doon survey, \$1 and other considerations.

Constables' Office. One was arrested on a charge of swindling with a worthless check and another for drunkenness by Constable Clarence Powell and Deputy Constable Oscar Renfrow.

Justice Court. One was fined on a speeding charge and another for drunkenness in the court of Judge A. E. Foster.

A man was fined \$10 and costs Friday morning on two complaints of swindling with worthless checks in the court of Judge W. T. McFadden.

Will Close Monday. All departments of the Navarro county courthouse, with the exception of the law enforcement agencies, will be closed all day Monday, Sept. 6, for the observance of Labor Day.

GOVERNMENT COTTON LOAN PLAN ATTACKED AND ALSO DEFENDED

MEMPHIS, Tenn., Sept. 3.—(AP)—The government's new program of cotton loans and subsidy payments was attacked and defended today at a meeting of agricultural commissioners and representatives of 13 cotton producing states.

Secretary of Agriculture Wallace directed the fifth of a series of assaults his plan to grant payments to cotton planters on 65 per cent of their production base instead of their entire crop.

The secretary was defended by Oscar Johnson, Scott, Miss, manager of the AAA cotton pool, who helped formulate the government program.

Johnson told the group the nine-cent loan and parity payment up to three cents was the only "common sense program" open to Secretary Wallace and that to have paid all growers on their entire acreage would have been economic suicide for the south.

J. C. Holt, Mississippi commissioner of agriculture said: "We understood when we left Washington, and it was the understanding of the house and senate, that if and when granted the loan and subsidy would apply to all cotton growers in the United States. That was the will of congress."

Commissioners Bob Goods of Alabama, J. E. McDonald, Texas, and Harry Wilson, Louisiana, agreed with Holt that the payments should have applied to the entire crop.

MERTENS WOMAN DIED THURSDAY IN LOCAL HOSPITAL

Mrs. Lalla Mae Dye, aged 33 years, of Mertens, died at the P. and S. hospital Thursday afternoon. Funeral services are planned at Mertens sometime Saturday where interment will be made. Mrs. Dye was admitted to the hospital Wednesday night.

Surviving are her husband, T. M. Dye, Mertens, eight children, and other relatives.

McComick Funeral Service of Frost and Blooming Grove are in charge of arrangements.

EXHIBITS OF CLUBS HAVE BEEN ADOPTED FIT FAIR PROGRAM

WILL STRESS CLUB EFFORTS OVER INDIVIDUAL EXHIBITS

Educational exhibits by clubs have been adopted by the program of the Home demonstration club department of the Navarro County Fair and Livestock exhibit to be held in Corsicana, October 13-14, under the individual efforts under the chairmanship of Miss Ruth McNabb, county agent.

Premiums and ribbons are offered for a number of lines of competition. The fair catalogue has the following to say about this phase of the show:

To follow the general idea being used in the other departments to make the fair as educational as possible, this department will have educational exhibits sponsored by clubs instead of the usual individual exhibits.

Each club will be paid \$5.00 for an exhibit approved by the council exhibit committee. Approval of the council committee is specified in order that each club group will understand it is expected to bring its exhibit up to the usual club standards.

The fair secretary will undertake to help the various clubs secure the necessary printing for placards and posters needed to complete their exhibits, provided each club will co-operate fully in making their needs known at least by October 1. Consult with the home demonstration agent as to details.

Here are some suggestions around which educational exhibits may be built:

1. Canning, water bath method.
2. Canning, pressure cooker method.
3. Dried peas and beans.
4. Ventilated pantry.
5. Meal planning.
6. Mattress making.
7. Finishes for clothing.
8. Foundation patterns.
9. Care of clothing.
10. Clothing storage.
11. Stain removal.
12. Control of household pests.
13. Killing and dressing poultry.

14. Poultry in the diet.
15. Control of poultry diseases.
16. Use of native plants for home beautification.

All exhibits must be in place by 12 noon, October 13. There must be two or more competing for the same premium to receive first money; if only one entry, it will take first honors and second money; provided specimen is worthy.

All entries must have been made or produced by parties entering them, except as otherwise stated.

Products entered in a display cannot compete as singles. No premiums will be awarded or paid on any article not listed in this premium list.

Clothing. (Household Linens)

9. 2 containers of jelly (same kind), \$1.00, 75c, ribbon.

All products must have been made or produced in 1937.

COURT REPORTER LEAVING THURSDAY RESIDE IN HOUSTON

C. A. Leddy, Jr., official court reporter in the Thirteenth judicial district court here for the past several years, will move to Houston Thursday, where he will become reporter for the Fifty-fifth judicial district court. Judge Ewing Boyd is the judge of that court. The new post of Mr. Leddy is a civil district court and does not try criminal cases.

Mr. and Mrs. Leddy have already secured an apartment in Houston.

Mr. Leddy was appointed reporter of the late Judge Hawkins Scarborough and served during the time Judge J. S. Callicutt was on the bench and under Judge Wayne R. Howell since he took office the first of this year.

Mr. Leddy was out of town Saturday morning and no announcement with reference to who the new reporter will be was available.

The local district court is in vacation, however, until Monday, Oct. 4, when the October term will be started.

Former Texan Dies In Chair Arkansas Prison

TUCKER PRISON FARM Sept. 3.—(AP)—Thomas J. Hutto, 56, formerly of Dallas, Texas, was put to death in the electric chair today for the slaying of an El Dorado police officer, last July 21.

He went to the chair with an audible prayer for "forgiveness" for what I have done."

Hutto was convicted for the killing of James A. Yocum, 40-year-old night patrolman at El Dorado, in a gun battle following the \$60 holdup of a drug store.

Hutto was wounded in the right leg during the exchange of shots. Witnesses at the electrocution included the widow of Officer Yocum, Sheriff Grady Woolley of El Dorado and a group of his deputies and other officers from Texarkana, Pine Bluff and Little Rock.

After the Yocum slaying, Hutto was charged also with robbery and kidnapping in connection with a minor crime in Southeast Arkansas. In addition to the death sentence, he was given 60 years on a guilty plea to the kidnapping of V. G. Little of Texarkana and 3 years on a guilty plea to robbery charges.

A. T. Wheatley, 44, El Dorado taxi driver, accused of driving the taxi in which Hutto fled from the drug store holdup and from which the shots that killed Yocum were fired, was given five years on a second degree murder conviction and an additional five years on a robbery count. Paul Carpenter, formerly of El Dorado, Texas, indicted jointly with Hutto in the kidnapping of Little, pleaded guilty and was given a 60-year sentence.

TWO MEN KILLED IN AUTO AND TRUCK CRASH NEAR RICE

Bob Rasco, age 23 years, and John Cain, age about 35 years, were almost instantly killed when a car in which they were riding was reported to have been in a collision with a truck one mile north of Rice near 12 o'clock Thursday night.

Both Rasco and Cain were employed by Fortson Bros, and had been working with crews repairing the levees washed away by the high waters last year. Rasco lived with his parents on the Fortson farm and Cain was living in Rice. He is survived by his wife and three children.

Funeral arrangements have not been announced. The bodies were taken to Ennis for preparation for burial.

The death brings the total fatalities from automobile accidents to six in Navarro county this year.

CARTER FASHION SHOP COMPLETED REMODELING PLANS

The Carter Fashion Shop at 202 North Beaton street, has recently completed an extensive remodeling program, and the shelves, racks and cases are overflowing with the latest fall fashions for women and girls, in anticipation of a heavy trade during the next few weeks and the fall and winter months.

The latest exclusive creations in coats, dresses, hats, bags, hosiery, lingerie, handkerchiefs and ornaments have been stocked from the nation's leading designers in California, Cleveland, St. Louis and many other fashion centers. With its more efficient and commodious arrangement and with its stock of exclusive and fashionable merchandise, the shop is one of the most modern and outstanding of its kind in this section of the state.

The store has been re-arranged providing several larger, more commodious and convenient fitting rooms, an enlarged millinery department, which employs two persons regular and more at peak times.

The store, having eight regular employees, draws its store from a wide area surrounding Corsicana, in counties outside the city's trading area, and every month sends much merchandise to its customers by mail.

Where the Farmer Meets His Friends

TEXAS POWER & LIGHT COMPANY

ELECTRICITY is Cheap USE IT FREELY

THANK YOU! I SEE NOW - YOU HAVE CUT OUR RATES!

Oh, mercy, yes! We've got those indirect floor lamps, lights in the garage and back yard... more lights all over!

I believe you will now agree with me that we've really cut your

rates. You can see that you're actually buying more than two times as much electricity for only a few cents more money. And, when you consider that the value of the services represents a very real saving to you, I believe you'll get a different slant on your electric service bill of today!

"Oh, I'm not one to argue against plain facts. I simply did not understand... didn't realize I was using so much more electricity and getting so much service for my money. I appreciate your explanation."

Well, Mrs. Customer, let's compare what you bought with \$3.24 in one month of 1928 to what you are now buying in one month with \$3.69.

Your 1928 bill was for the use of 30 kilowatt hours of electric energy. Your present bill is for the use of 61 kilowatt hours of electric energy. More than two times as much electric energy for only a few cents more money!

"Two times as much electricity? I don't see how it's possible!"

In 1928 you probably used an electric iron, a cleaner, a percolator and, of course, your lights.

"That's about right... but what's that got to do with my present bill?"

Just this: Let's compare the limited use of electricity represented in your 1928 bill to that indicated in your present bill. What appliances do you now use?

"Well... let me see... I have an electric refrigerator, radio, washing machine, two electric clocks, two fans, and a new iron and cleaner..."

Do you use more lights than you did in 1928?

Oh, mercy, yes! We've got those indirect floor lamps, lights in the garage and back yard... more lights all over!

I believe you will now agree with me that we've really cut your

MOTHER CORSICANA MAN WAS BURIED IN HILLSBORO THURSDAY

HILLSBORO, Sept. 4.—Funeral services for Mrs. Mary Emma Lloyd, aged 63 years, wife of W. S. Lloyd, who died Wednesday at the family home nine miles west of Hillsboro, were held Thursday afternoon with interment in Rosewood cemetery at Waco.

A native of Mississippi, Mrs. Lloyd came to Texas while a young woman and resided in Bell county for a number of years prior to moving to Hill county in 1922.

Surviving are her husband, five sons, Henry Easterwood, Waco; T. R. Vaughn, Corsicana; Joe Vaughn, Kerens; Elwood Vaughn, Fort Worth; and Thurman Vaughn, Whitney; three daughters, Mrs. Mollie Easterwood and Mrs. Opal DeHart, both of Hillsboro, and Mrs. Clara Mae Hutton, Corsicana, and a step-son, G. H. Vaughn, Corsicana, and 10 grandchildren.

Cream Supper

Benefit of Hopewell Cemetery. There will be an ice cream supper at Navarro school Friday night, September 10th. Everybody invited.

Sun Want Ads Bring Results.

HONGKONG, Sept. 3.—(AP)—Typhoon battered Hongkong today with a city and harbor strewn with wreckage, with bodies washed up along the waterfront and great ships pitched crazily inland.

The typhoon roared northwest, leaving a death toll ranging from 300 upwards. It was expected to strike the China coast midway between Amoy and Foochow, probably swirling in and proximity to bloody Shanghai.

High gales still blew here. The storm's havoc greatly accentuated the misery in this city, packed with war refugees and fighting a cholera epidemic in which two-thirds of the cases have been fatal.

The death toll was estimated at 500 or more. Canton was hit. Many ships were beached here and on nearby islands.

Among the shipping sunk was the bulk of the American yacht Shenandoah III, once owned by the American Millionaire, Gibson Fahnstock.

Four men aboard were rescued, but two others were lost.

CALL BEEN ISSUED FOR LARGE NUMBER FOR CCC CAMPS

A call for approximately 11,000 white and 1,200 colored boys to be enrolled in the Civilian Conservation Corps during October, has been issued by Adam R. Johnson, director of the Texas relief commission, to the various county welfare boards, Mrs. A. R. McCrary, local case worker, stated.

This number far exceeds any former enrollment and will give almost all boys in the state an opportunity to enroll if they are unemployed, 17 to 23 years of age, in need and whose parents or themselves, due to financial limitations, are not in a position to secure or provide comparable training. Full strength of the Texas quota is 16,000 white and 1,700 colored, and due to discharge of enrollees reaching the age of 24 or completion of the maximum enrollment of two years, replacements will be necessary.

Heretofore, rules did not allow boys from other than the groups receiving or eligible to receive public assistance be accepted, but these have now been modified. Such boys who have no dependents may allow two-thirds of their pay to remain on deposit and upon discharge or completion of

Alleged Killer Of Friend Dies In Gas Chamber

FLORENCE, Ariz., Sept. 3.—(AP)—David Benjamin Knight, 32, Oklahoma ranch worker, whom the state charged killed his friend, J. C. Kalb, for 15 cents and an automobile went to his death calmly today in Arizona's lethal gas chamber.

He contended until the last the slaying was in self-defense. Knight was captured Jan. 12, 1936, at Venice, Calif., 15 days after Kalb's body was found trussed in a cotton picker's sack in the river bottoms, 25 miles west of Phoenix.

Here to visit their brother before his execution were two sisters, and two brothers, including J. F. Knight, Wichita Falls, Tex.

their enrollment, receive the full accrued amount. Where there are dependents an allotment will be made each month direct.

Over \$500,000 each month is brought to Texas through these allotment checks to dependents, which materially relieves the burden that would otherwise be carried by the communities.
